ADDENDUM #1

RFP #7550805

TITLE: GENERATOR REPLACEMENT – KINGSTON STATION

SUBMISSION DEADLINE: 8/15/16 – 11:00 a.m.

The following clarifications are provided for use in preparing your bid offer:

- 1) Wiring should be replaced as needed, and should include a new circuit breaker
(We are uncertain as to condition of existing wiring and cannot accurately assess whether it should be replaced in full or not.)
- 2) This unit **MUST** have an automatic turn-over switch. Please include an Automatic Start/Stop package .
NOTE: Amtrak must have uninterrupted power in the event of an outage.
- 3) The unit is diesel fueled.
