WARREN FMS, COVENTRY TRAINING SITE**

**Closing Date and Time: 8/31/16 at 10:00 AM**

**Per the issuance of this ADDENDUM #1 (8 pages) the following is noted:**

This addendum posts sign in sheet from mandatory pre bid conference.  
This addendum posts notes/clarifications from mandatory pre bid conference.

As noted by buyer:

-This is a mandatory pre bid conference

Only those vendors on the sign in sheet will be allowed to submit proposals. Please make sure that the company name you write on the sign in sheet is the same one that is on the bidder certification form which is submitted with your bid proposal. The sign in sheet is confirmation of the requirement to inspect the site and no additional forms need be signed or submitted.

-Please note the requirement to submit invoices to the agency within 5 calendar days after an event.

-Must submit Attachment A which is contact information and equipment list.

-The bids needed to be set up like this because of the way the National Guard funds each location.

This will have no effect on the way the vendor is to be paid.

Notes/clarifications from pre bid:

Camp Varnum:

The vendor is responsible for plowing, sanding and salting in the yellow area on the attached map. This is automatic for each storm. It was noted at the walk through the poor condition of some of the surfaces to be plowed. Vendor is not responsible for additional damage in these areas. Conversely, the Agency is not responsible for any damage to the vendor's equipment due to these conditions.

AASF (Army Aviation Support Facility-Quonset Point):

The vendor is responsible for plowing, sanding and salting in the yellow area on the attached map. This is automatic for each storm. This location will require that the vendor be escorted to and from the main gate to the area to be plowed, sanded and salted each time.

**ADDENDUM NUMBER ONE**  
**RFQ # 7550844**  
**TITLE: SNOWPLOWING AND SANDING-VARNUM, AASF, FOGARTY,**  
**WARREN FMS, COVENTRY TRAINING SITE**

**Camp Fogarty:**

The vendor is responsible for plowing, sanding and salting in the yellow area on the attached map. This is automatic for each storm. An escort will not be required at this facility.

**Coventry Training Site:**

The vendor is responsible for plowing, sanding and salting in the yellow area on the attached map. This is automatic for each storm.

**Warren FMS:**

This is salting and sanding only. This is by request only. The agency expects a 2 hour response time. If the vendor is bidding on this location the vendor will also need to bid on the Warren Armory in bid 7550843 as these locations will be awarded to one vendor.

The Warren FMS is by request only. All other areas in this bid are automatic.

Snow removal is by request only.

This bid is separate from MPA 159 and is open to any vendor who signed in at the pre bid conference.

Vendors will be required to furnish a BCI check or a TWIC card (at their own expense) for each employee who will work on the site.

Prices bid for plowing are for each storm. If it is necessary for a vendor to return more than once for the same storm it is still one price.

It is acceptable to leave equipment on site. The Agency is not responsible for any damage to that equipment.
