ADDENDUM # 2

RFP# 7550944

TITLE: BUDGET SOFTWARE ACQUISITION

SUBMISSION DEADLINE: OCTOBER 18, 2016 at 01:30 PM ET

ADDENDUM DESCRIPTION: Appendix F Removal and Clarification on Exhibit 3

A. Appendix F – Security Breach Agreement Form:

Appendix F is removed from this RFP as a requirement.

B. Exhibit 3 – Budget System Services Agreement:

The State has provided standard contract terms and conditions for reference purposes. It represents a form of agreement containing many of the requirements the State expects would be contained in a final agreement for this type of procurement, but the State reserves its right to modify Exhibit 3. Any Agreement would also be subject to the State's General Conditions of Purchase. Vendors should review the language when developing their proposals but should not sign and return Exhibit 3 with the bid submission.
