**Addendum # 1**

**Bid # B06317**

**Title: Elevator Maintenance - MHRH**

**Opening Time & Date (Submission Deadline): May 24, 2006 @ 10:30 AM (EDT)**

A question arose concerning the wording of third paragraph on page 7 of 15 in the bid document regarding monthly testing and inspection. It states:

MONTHLY EXAMINE AND TEST THE HYDRAULIC SYSTEM AND/OR GOVERNOR, SAFETIES AND BUFFERS ON THE EQUIPMENT AS OUTLINED IN AMERICAN NATIONAL STANDARD SAFETY CODE FOR ELEVATORS, A.N.S.I. A17.1 AND RHODE ISLAND STATE ELEVATOR FCODE 2.50L CURRENT EDITION AS OF THE DATE THIS AGREEMENT IS SUBMITTED.

Monthly requirements should require inspection only as testing is required in the annual testing. This addendum inserts the following:

MONTHLY EXAMINE THE HYDRAULIC SYSTEM AND/OR GOVERNOR, SAFETIES AND BUFFERS ON THE EQUIPMENT AS OUTLINED IN AMERICAN NATIONAL STANDARD SAFETY CODE FOR ELEVATORS, A.N.S.I. A17.1 AND RHODE ISLAND STATE ELEVATOR FCODE 2.50L CURRENT EDITION AS OF THE DATE THIS AGREEMENT IS SUBMITTED.
