DESCRIPTION OF PROCUREMENT

This is a cooperative solicitation issued by the states of Massachusetts, New Jersey, Rhode Island and Vermont, with the Commonwealth of Massachusetts as lead state (Commonwealth).

The Commonwealth seeks software resellers to provide software (including Software as a Service ("SaaS")), training, pre-sales assistance, documentation, installation, configuration, maintenance, support, customization (Massachusetts, New Jersey [subject to limitations in the New Jersey Method of Operation and written approval of the New Jersey State Contract Manager], and Vermont only), and volume license agreement (VLA) administration. In addition, software packaged with hardware as an appliance may be provided, but only with the written approval of the State Contract Manager for each State on a case-by-case basis.

Questions may be submitted in accordance with the instructions provided in the RFR.
