Title: Commissioning Services - RIDE

Submission Deadline: 10 Nov 2011 @ 10:30 AM (Eastern)

1. How many contracts will be awarded / issued to commissioning companies for this opportunity?

Response: We are unable to provide an exact number of contracts. We are aware of one project within the next year. However, we understand that local communities sometimes piggyback on state bids and may choose to access this master price agreement.

2. Does the company's location (state) impact your decision, i.e., are Rhode Island companies competitively advantaged?

Response: Location will not impact the scoring. Please ensure the cost proposal includes projected travel costs to accommodate RI's work, if applicable. The technical proposal should also address how the vendor will supply qualified staff upon short notice, as required to demonstrate capacity.
