1. If needed, is on premise access available ?

Yes, we staff our computer center 24 x 7. Some advance notice would be required

2. Will PeopleSoft be included because it's being used by higher education ?

We will contact College and University staff on this issue.

3. Can you allow for additional e-mail questions.?

The question period has been extended to 28 Feb 02 at 12:00PM.

4. Regarding page 5 of the cost proposal, should all columns be completed?

Complete the columns that apply to your capacity and service programs available.

5. Are you using other oracle tools?

We intend to make use of discoverer for ad hoc reporting. To our knowledge, other specialized Oracle tools are not being used.

6. What is the CITRIX environment used for?

The purchasing and accounts payable application software we are using is FAT client. We use CITRIX to make the system environment more manageable.
