Questions re: RFP #7606836
Small Water System Engineering Assistance Program

1. Should Appendix C, the RIDOH Sub-Recipient Capacity Survey be included in the Technical or Cost Proposal? And should we submit one copy or should it be included in each copy?

Answer: It just needs to be submitted along with the other elements of the RFP and should not be submitted within the technical nor cost proposals. Each copy of the proposal should have a copy of the survey.
