## SECTION 1. INTRODUCTION

The Rhode Island Department of Administration/Division of Purchases, on behalf of the Rhode Island Department of Education (RIDE) is soliciting proposals from qualified firms to provide Internet Access on behalf of all schools, public and private, and libraries in the State of Rhode Island, in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at [www.purchasing.ri.gov](http://www.purchasing.ri.gov).

The list of sites, Appendix A, is *not* all-inclusive and will be amended throughout the duration of the MPA. The appendix only serves as a guide and/or tool to aid vendors and is not meant to be exclusive of future schools or libraries yet to be identified. Qualified vendors on the created MPA will set contractual durations with specific schools and libraries seeking their services.

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to cost; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

### **Instructions and Notifications to Offerors**

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.
4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated in the proposal.
6. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is clearly indicated in the vendor’s proposal and the subcontractor(s) to be used is identified in the proposal.

7. The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds.
8. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

Any information submitted in response to this RFP that a vendor believes are trade secrets or commercial or financial information which is of a privileged or confidential nature should be clearly marked as such. The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

9. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
10. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an “Affirmative Action Policy Statement.”

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written “Affirmative Action Plan” prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the “Contract Compliance Report” (<http://odeo.ri.gov/documents/odeo-eeo-contract-compliance-report.pdf>), as well as the “Certificate of Compliance” (<http://odeo.ri.gov/documents/odeo-eeo-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For

public works projects vendors and all subcontractors must submit a “Monthly Utilization Report” (<http://odeo.ri.gov/documents/monthly-employment-utilization-report-form.xlsx>) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact Vilma Peguero at the Rhode Island Equal Employment Opportunity Office, at 222-3090 or via e-mail at [ODEO.EOO@doa.ri.gov](mailto:ODEO.EOO@doa.ri.gov) .

11. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).
12. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. The current directory of firms certified as MBEs or WBEs may be accessed at <http://odeo.ri.gov/offices/mbeco/mbe-wbe.php>. Information regarding DisBEs may be accessed at [www.gcd.ri.gov](http://www.gcd.ri.gov).

For further information, visit the Office of Diversity, Equity & Opportunity’s website, at <http://odeo.ri.gov> and *see* R.I. Gen. Laws Ch. 37-14.1, R.I. Gen. Laws Ch. 37-2.2, and 150-RICR-90-10-1. The Office of Diversity, Equity & Opportunity may be contacted at, (401) 574-8670 or via email [Dorinda.Keene@doa.ri.gov](mailto:Dorinda.Keene@doa.ri.gov)

13. HIPAA - Under HIPAA, a “business associate” is a person or entity, other than a member of the workforce of a HIPAA covered entity, who performs functions or activities on behalf of, or provides certain services to, a HIPAA covered entity that involves access by the business associate to HIPAA protected health information. A “business associate” also is a subcontractor that creates, receives, maintains, or transmits HIPAA protected health information on behalf of another business associate. The HIPAA rules generally require that HIPAA covered entities and business associates enter into contracts with their business associates to ensure that the business associates will appropriately safeguard HIPAA protected health information. Therefore, if a Contractor qualifies as a business associate, it will be required to sign a HIPAA business associate agreement

14. Eligible Entity - In order to perform the contemplated services related to the Rhode Island Health Benefits Exchange (HealthSourceRI) , the vendor hereby certifies that it is an “eligible entity,” as defined by 45 C.F.R. § 155.110, in order to carry out one or more of the responsibilities of a health insurance exchange. The vendor agrees to indemnify and hold the State of Rhode Island harmless for all expenses that are deemed to be unallowable by the Federal government because it is determined that the vendor is not an “eligible entity,” as defined by 45 C.F.R. § 155.110.
  
15. **Master Price Agreements - Contract Administrative Fee - In 2017 the General Assembly amended the “State Purchases Act”, R. I. Gen. Laws § 37-2-12 (b) to authorize the Chief Purchasing Officer to establish, charge and collect from vendors listed on master price agreements (“MPA”) a contract administrative fee not to exceed one percent (1%) of the total value of the annual spend against their MPA contracts. All contract administrative fees collected from MPA vendors shall be deposited into a restricted receipt account which shall be used for the purposes of implementing and maintaining an online eProcurement system and other costs related to State procurement. In accordance with this legislative initiative the Division of Purchases is upgrading the State procurement system through the purchase and installation of an eProcurement system. The contract administrative fee shall be applicable to all purchase orders issued relative to State MPA contracts. Therefore, effective January 1, 2020 all MPA contracts shall be assessed the 1% contract administrative fee.**

## **SECTION 2. BACKGROUND**

The Rhode Island Department of Elementary and Secondary Education (RIDE) and the Library network operate transport lines funded by the RITEAF (RI General Laws, Section 39-1-61) and the Universal Services Administrative Services (USAC) Program known as E-rate. Through relationships with consortia serving each type of entity RIDE strives to provide equitable access to network services for all school or library sites regardless of location. The network is comprised of a wide range of data circuits inter-connected to create a robust information infrastructure. The Department and the Libraries have a full range of applications that can benefit from the services specified in this RFP including distance learning, WI-FI access, video-conferencing, and a variety of services that move across these networks. The high-speed wide area network is the subject of a separate request for proposals.

Under this Internet Access RFP, RIDE is interested in establishing a master price agreement for a shared, technology-based infrastructure that delivers safe and reliable access, at an affordable cost, to Rhode Island public, private, charter, state-operated, and select private libraries and consortia. The selected vendor(s) will be placed on a qualified vendor list through a master price agreement (MPA) that districts can access to procure the services of the applicable vendor(s). In addition, RIDE will also access this MPA for the agency's Internet Access.

RIDE makes every effort to provide Internet Access for all RI schools and districts that is economical and at a high quality. RIDE must also guarantee a safe Internet experience for our most vulnerable citizens, including school-age children, educators, librarians, and others who support the education of RI's children.

## **SECTION 3: SCOPE OF WORK AND REQUIREMENTS**

### **General Scope of Work**

RIDE is limiting its request to the provision of basic conduit access to the Internet, and certain related services integral to the reaching of the public Internet. Service providers for Internet Access need not be eligible telecommunications providers, but they must be prepared to provide installation and services for the various technologies which might be deployed at the eligible districts/sites.

### **Specific Activities / Tasks**

**SERVICES:** Internet Access services should include those necessary features associated with adequate functionality and performance. Such features could include Domain Name Service (DNS) (registration), to assist use of the standard Internet naming convention; Dynamic Host Configuration Protocol (DHCP), to assist with providing devices with a unique address; Firewall services; or other such services necessary for the operation of the network. Such access may include transport of digital communication using any Internet-based protocols, including encapsulation of data, video, or voice so long as this is the most cost effective way to access the Internet. On-premise leased equipment for Internet Access may be of interest to consortium members.

**SECURITY:** Vendor(s) must have measures in place to prevent a security breach from happening and the processes and procedures to react to a security breach that occurs via their access to the customer network infrastructure. Vendor(s) must commit to support the customer in the event of a security breach on the customer's network to eliminate the vendor's access or staff as relevant to the breach.

**SCHEDULE:** Service provider would commence on July 1, 2021. And end date of services is to be determined by each individual school and library contracting specific services. As required by the Universal Services Administration Company (USAC) which oversees E-rate, the MPA pricing will be refreshed annually.

## **ADDITIONAL CONTRACTOR REQUIREMENTS/QUALIFICATIONS**

- Bidders must submit a letter of transmittal signed by an owner, officer, or other authorized agent.
- Bidders must submit relevant organizational information, a list of similar projects undertaken and/or clients served, agency expertise relative to the services requested, and a statement of existing workload as it impacts the performance of the project.
- Bidders must provide an overview of key personnel assigned to the project including education and prior experience.
- Bidders must disclose any work to be sub-contracted including the specific work to be performed and staffing, organizational structure and business background of the sub-contractor

## **TERMS OF THE CONTRACT**

Individual contracts will be signed by RI schools, districts and libraries with the selected vendor. The selected vendor(s) services will begin July 1, 2021. Districts and Libraries may request upgrades in bandwidth at any point during the contracted years. The scope of the work, such as site locations, may be modified by RIDE prior to the start of the contract or a given task. Because this program is funded and/or subsidized by public or federal funds, there should be no expectation that funding can exceed the original request or that costs not explicitly listed on this bid will be accepted.

RIDE is exempt from state and federal taxes. The Department will not accept added taxes and added charges to the pricing submitted by the Vendor, including but not limited to gross earning taxes. RIDE reserves the right to request information regarding which sites they have been contracted to service and at what costs.

If necessary, deficiencies in performance of services and/or failure to supply deliverables in a complete and timely manner will be documented in writing by RIDE. Should a pattern of substantial dissatisfaction become apparent, RIDE reserves the right to remove the vendor from the resulting MPA.

## SECTION 4: PROPOSAL

### A. Technical Proposal

Narrative and format: The proposal should address specifically each of the following elements:

1. **Staff Qualifications** – Provide staff resumes/CV and describe qualifications and experience of key staff who will be involved in this project, including their experience, if any, as it relates to educational institutions or other education settings .
2. **Capability, Capacity, and Qualifications of the Offeror** - Please provide a detailed description of the Vendor’s experience as a telecommunication service provider specifically to educational institutions or other education settings.
3. **Work Plan** - Provide a description of the processes needed to supply educational sites Internet Access.

### B. Cost Proposal

Rhode Island school and libraries participate in the FCC USAC/Schools and Libraries Division process known as E-rate. Therefore, all vendors submitting proposals to this RFP must comply with all rules and regulations set forth by the FCC. As a reminder to vendors, this includes the Lowest Corresponding Price (LCP) requirements as detailed here:

<http://www.usac.org/sl/service-providers/step02/lowest-corresponding-price.aspx>

Service Providers cannot charge E-rate applicants above the LCP for E-rate services. Vendors are required to notify RIDE in the event that they are triggering the LCP option for a site, in order to maintain equity for all sites.

Qualified vendors on the resulting MPA will be required to submit to RIDE annually, all pricing changes in effect for each year of the MPA. This should occur not later than February 1st of each year for the duration of the MPA. Any vendor, who does not comply with this requirement, will be subject to removal from the MPA.

Our constituencies have a broad range of needs. Therefore, the vendor must prepare a pricing grid that demonstrates the ability to serve the full range of demands from the consortium members. The vendor must prepare a pricing grid that fully describes all services that can be provided, the various bandwidths available, minimum and maximum bandwidth, price breakpoints, technologies used for the bandwidth offered, end user equipment requirements, or equipment provided by the vendor. Be advised that services that are not integral to providing basic Internet Access will not be used in the evaluation of your offer in comparison to other offers.

Please use a pricing template similar to the one offered below to demonstrate your Internet Access cost proposal. Please note: Although you may add lower levels of bandwidth to the template to mirror current bandwidth for some schools, please be sure to include the higher bandwidth as noted below in your pricing template.

**Mandatory:** Listing of all available service levels offered.

Basic Internet Access (including IP addresses, DNS, DHCP, and basic firewall service)

<b>Bandwidth (in mbps)</b>	<b>Monthly Recurring Cost</b>
100 Mbps	\$
250 Mbps	\$
500 Mbps	\$
1 Gbps	\$
2 Gbps	\$
5 Gbps	\$
10 Gbps	\$

### **C. ISBE Proposal**

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation.

## **SECTION 5: EVALUATION AND SELECTION**

Proposals shall be reviewed by a technical evaluation committee (“TEC”) comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 35 out of a maximum of 45 points to advance to the cost evaluation phase. Any technical proposals scoring less than 35 points shall not have the accompanying cost or ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Technical proposals scoring 35 points or higher will have the cost proposals evaluated and assigned up to a maximum of 55 points in cost category bringing the total potential evaluation score to 100 points. After total possible evaluation points are determined ISBE proposals shall be evaluated and assigned up to 6 bonus points for ISBE participation.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) (“vendor”) that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

<b>Criteria</b>	<b>Possible Points</b>
Staff Qualifications	15Points
Capability, Capacity, and Qualifications of the Offeror	15 Points
Work Plan	15 Points
<b>Total Possible Technical Points</b>	<b>45 Points</b>
Cost proposal*	55 Points
<b>Total Possible Evaluation Points</b>	<b>100 Points</b>
ISBE Participation**	6 Bonus Points
<b>Total Possible Points</b>	<b>106 Points</b>

**\*Cost Proposal Evaluation:**

The vendor with the lowest cost proposal shall receive one hundred percent (100%) of the available points for cost. All other vendors shall be awarded cost points based upon the following formula:

$$(\text{lowest cost proposal} / \text{vendor's cost proposal}) \times \text{available points}$$

For example: If the vendor with the lowest cost proposal (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly costs and service fees and the total points available are thirty (30), Vendor B's cost points are calculated as follows:

$$\$65,000 / \$100,000 \times 30 = 19.5$$

**\*\*ISBE Participation Evaluation:**

a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example if the ISBE vendor's total contract price is \$100,000.00 and

it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself , the ISBE vendor's ISBE participation rate would be 20%.

b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$\begin{aligned} & (\text{Vendor's ISBE participation rate} \div \text{Highest ISBE participation rate}) \\ & \times \text{Maximum ISBE participation points)} \end{aligned}$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive  $(12\% \div 20\%) \times 6$  which equals 3.6 points.

**General Evaluation:**

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.

**SECTION 6. QUESTIONS**

Questions concerning this solicitation must be e-mailed to the Division of Purchases at [gail.walsh@purchasing.ri.gov](mailto:gail.walsh@purchasing.ri.gov) no later than the date and time indicated on page one of this solicitation. No other contact with State parties is permitted. Please reference **RFP # 7608809** on all correspondence. Vendors are responsible for testing their CD-Rs before submission as the Division of Purchase’s inability to open or read a CD-R may be grounds for rejection of a Vendor’s proposal.
