Prompt Payment Discounts ("PPD"): Vendors benefit from PPD by increased, usable cash flow as a result of fast and efficient payments for commodities or services rendered. While Bidders/Contractors have flexibility in determining the actual % discount(s) offered to the State, the discount(s) must be identified in 10 days or more for Payment Issuance Date. The State may use the prompt pay discounts submitted as a basis for selection and may negotiate discounts as deemed in the best interest of the State.

All discounts offered will be automatically deducted from payment when the issue date is within the specified number of days listed below and in accordance with the State's Prompt Payment Law. Payment days will be measured **from** the date goods are received and accepted/performance was completed OR the date an invoice is received by the Office of the DOA Controller, whichever is later **to** the date the payment is issued via ACH or mailed by the State Treasurer. The date of payment "issue" is the date a payment is considered "paid" not the date a payment is "received" by a vendor.

Enter the Prompt Payment Discount percentage (%) off the invoice payment, for the available payment issue dates listed below. Note: Vendors are allowed up to three different prompt payment options. Example prompt payment options are:

- 5% - 10 Days
- 3% - 20 Days

The form required for ACH enrollment can be found at <http://controller.admin.ri.gov/Forms/index.php>.

The State also highly encourages Vendors to use the RIFANS Supplier Portal which includes the functionality to electronically submit invoices against open Purchase Orders. This efficient invoicing method eliminates handling time, mailing expenses, and will further expedite the payment process. Information on the portal can be found at <http://controller.admin.ri.gov/iSupplier/isup/index.php>.

### **Prompt Payment Discounts (“PPD”)**

The Department of Administration’s (“Department”) goal in establishing the PPD program is to provide an opportunity for expedited payment to vendors, while reducing the cost to the State through vendor discounts. State agencies are encouraged to utilize vendors that offer cash discounts, along with competitive pricing, when selecting services or goods from master price agreements. In addition, the Department seeks to promote prompt payment through the use of electronic funds transfer (“EFT”) through the ACH system.

### **Prompt Payment Discount Form**

All vendors submitting proposals in response to designated master price agreement solicitations must submit the attached PPD form in order to participate in the PPD program.

Nothing herein prevents the State Purchasing Agent or designee from negotiating lower pricing or greater discounts and/or waiving technicalities related to PPDs in the best interests of the State.
