SECTION 1. INTRODUCTION

The Rhode Island Department of Administration/Division of Purchases, on behalf of the Rhode Island Department of Education (“RIDE”) is soliciting proposals from qualified firms to provide an Early Childhood Formative Assessment System (Birth – Grade 3), in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at www.purchasing.ri.gov.

The initial contract period will begin upon issuance of a state purchase order (projected January 1, 2018) and end June 30, 2021. The scope of work may be extended for up to one additional 12-month period based on vendor performance and the availability of funds.

The State reserves the right to award to one or more vendors under this procurement.

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to cost; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

Instructions and Notifications to Offerors

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.
4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated in the proposal.
6. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is

clearly indicated in the vendor's proposal and the subcontractor(s) to be used is identified in the proposal.

7. The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds.
8. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

Any information submitted in response to this RFP that a vendor believes are trade secrets or commercial or financial information which is of a privileged or confidential nature should be clearly marked as such. The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

9. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
10. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an "Affirmative Action Policy Statement."

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written "Affirmative Action Plan" prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the "Contract Compliance Report" (<http://odeo.ri.gov/documents/odeo-eco-contract-compliance-report.pdf>), as well as the "Certificate of Compliance"

(<http://odeo.ri.gov/documents/odeo-eeo-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For public works projects vendors and all subcontractors must submit a “Monthly Utilization Report” (<http://odeo.ri.gov/documents/monthly-employment-utilization-report-form.xlsx>) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact the Rhode Island Equal Employment Opportunity Office, at 222-3090 or via e-mail at Krystal.Waters@doa.ri.gov.

11. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).
12. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. The current directory of firms certified as MBEs or WBEs may be accessed at <http://odeo.ri.gov/offices/mbeco/mbe-wbe.php>. Information regarding DisBEs may be accessed at www.gcd.ri.gov.

SECTION 2. BACKGROUND

In response to President Obama’s call to expand access to high quality pre-school to every child in America, Congress appropriated \$250 million for the Preschool Development/Expansion Grant in fiscal year 2014. In October of 2014, along with 34 other states, the Rhode Island Department of Education (RIDE) submitted what is now recognized as a winning application. RIDE will receive \$19 million dollars over four years to expand its State Pre-Kindergarten

Program (Pre-K). The Rhode Island State Pre-K is recognized as a national leader in the development of high-quality preschool programs. We have one of only four state preschool programs in the country that achieves the nation's highest quality benchmarks as measured by the National Institute for Early Education Research.

Through a combination of high-quality design, Comprehensive Early Childhood Education (CECE) program regulations, competitive selection of incoming classrooms, regular monitoring, comprehensive supports, and ongoing external evaluation, Rhode Island actualizes its commitment maintaining an already high-quality State Pre-K program. The state's long-standing efforts to create a coordinated early childhood system have positioned Rhode Island to use the federal Preschool Development Expansion Grant resources to significantly increase enrollment of four-year-olds in Pre-K programs serving high need communities and to build and enhance the overall State Pre-K Program infrastructure.

Rhode Island's Pre-K Program uses a mixed delivery system that includes public schools, Head Start programs, and community-based childcare programs, which operate in eleven communities across the state. Rhode Island requires and supports all State Pre-K funded classrooms to achieve the same high-quality standards, regardless of setting. Rhode Island will operate 60 Pre-K classrooms in FY18 – FY19.

In order to ensure measureable outcomes of enrolled children against the Rhode Island Early Learning and Development Standards and to recognize trends in teaching and facilitation in the State Pre-K program, RIDE is seeking bids to implement an Early Childhood Formative Assessment System using federal Preschool Expansion Grant dollars..

SECTION 3: SCOPE OF WORK AND REQUIREMENTS

Specific Activities / Tasks

The successful bid will provide an online platform that accomplishes the following:

1. Introduce a nationally recognized, valid and reliable early childhood assessment instrument that shows alignment to and measures progress across all nine Rhode Island's Early Learning and Developmental Standards (RIELDS).
2. Include a statewide, systematic way to monitor and report out on children's developmental gains on the RIELDS in the State Pre-K program.
3. Provide RIDE staff the ability to remotely monitor, in real time, educators' progress toward capturing evidence on every standard.
4. Provide an assessment instrument that allows multiple methods to access, record and assess formative assessment documentation for individual children.
5. Provide a way for Educators to track a child's developmental progression and provide activities and suggestions to support appropriate learning and developmental gains toward that next step.
6. Allow oversight and administration of the early childhood assessment system for RIDE.
7. Include early childhood assessments that span children birth through Grade 3.
8. Allow for the separate purchase of a Kindergarten Entry Assessment.

9. Include reporting functionality to allow RIDE to track child level data and measurable outcomes of children enrolled in the State Pre-K program for use with federal reporting guidelines.
10. Include reporting functionality to allow RIDE to track classroom and program level growth and trends in child outcomes.
11. Have the ability to archive child level data at the completion of the program.

12. RIDE will contract with the vendor(s) for the assessment of students in the state funded Pre-ks. In addition, the vendor(s) selected to provide an early child assessment system would enter into a Master Price Agreement (MPA)* with the State of Rhode Island, in accordance with the terms of this solicitation for non-state funded Pre-ks to access. LEAs and the state’s network of providers including childcare centers and schools, family childcare homes, public schools, non-public schools and informal settings that choose to access the MPA will contract directly with the selected vendor(s).

13. Vendor should have the ability to separate, and keep confidential, State Pre-K child level data from other LEAs, or community based programs that have purchased the assessment system through the MPA.
14. Provide support and maintenance to the online system and technical support to users regarding the online system.
15. Ability to provide professional development relating to the online platform and technical assistance upon request.

Statewide Contract Administrative Fee - Notice: The Division of Purchases shall soon implement a new, state-of-the art, eProcurement system which will streamline public procurement in Rhode Island. In conjunction with implementation of the eProcurement system, the Division of Purchases anticipates that the “State Purchases Act”, R. I. Gen. Laws § 37-2-12 shall be amended to authorize the Chief Purchasing Officer to establish, charge and collect from State contractors listed on master price agreements a statewide contract administrative fee not to exceed one percent (1%) of the total value of the annual spend against a contract awarded to a state contractor. All statewide contract administrative fees collected shall be deposited into a restricted receipt account which shall be used for the purposes of implementing technology for the submission and processing of bids, online bidder registration, bid notification, and other costs related to State procurement. If/when the Division of Purchases receives statutory authority to assess a statewide contract administrative fee, it shall be applicable to any bidders who receive a purchase order relative to the within solicitation during the entire term of the CR/MPA contract.

SECTION 4: PROPOSAL

A. Technical Proposal

3. **Work Plan** - Please describe in detail, the framework for how the scope of work will be accomplished

4. **Approach/Methodology/Understanding of the Issues**

B. Cost Proposal

The contractor must prepare a cost proposal reflecting the per student fee for the Early Childhood Formative Assessment System. Please clearly detail all costs included in that fee.

Please note that reimbursement for travel within the continental United States will be limited to the per diem rates established by the General Services Administration (GSA). Per diem rates are posted at www.gsa.gov/perdiem.

C. ISBE Proposal

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation.

SECTION 5: EVALUATION AND SELECTION

Proposals shall be reviewed by a technical evaluation committee (“TEC”) comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 40 out of a maximum of 70 points to advance to the cost evaluation phase. Any technical proposals scoring less than 40 points shall not have the accompanying cost or ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Technical proposals scoring 40 points or higher will have the cost proposals evaluated and assigned up to a maximum of 30 points in cost category bringing the total potential evaluation score to 100 points. After total possible evaluation points are determined ISBE proposals shall be evaluated and assigned up to 6 bonus points for ISBE participation.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) (“vendor”) that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

Criteria	Possible Points
-----------------	------------------------

Staff Qualifications	20 Points
Capability, Capacity, and Qualifications of the Offeror	20 Points
Work Plan	20 Points
Approach Proposed/Understanding of Issues	10 Points
Total Possible Technical Points	70 Points
Cost proposal*	30 Points
Total Possible Evaluation Points	100 Points
ISBE Participation**	6 Bonus Points
Total Possible Points	106 Points

***Cost Proposal Evaluation:**

The vendor with the lowest cost proposal shall receive one hundred percent (100%) of the available points for cost. All other vendors shall be awarded cost points based upon the following formula:

$$(\text{lowest cost proposal} / \text{vendor's cost proposal}) \times \text{available points}$$

For example: If the vendor with the lowest cost proposal (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly costs and service fees and the total points available are thirty (30), Vendor B's cost points are calculated as follows:

$$\$65,000 / \$100,000 \times 30 = 19.5$$

****ISBE Participation Evaluation:**

a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.

b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$\begin{aligned} & (\text{Vendor's ISBE participation rate} \div \text{Highest ISBE participation rate} \\ & \quad \times \text{Maximum ISBE participation points}) \end{aligned}$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

General Evaluation:

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.
