SECTION 1. INTRODUCTION

The Rhode Island Department of Administration/Division of Purchases, on behalf of the Community College of Rhode Island is soliciting proposals from qualified firms to provide access to regionalized labor market data for making decisions from the data as the college embarks upon aligning its programs with the workforce, in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at www.purchasing.ri.gov.

The initial contract period will begin approximately July 1, 2018 for one year. Contracts may be renewed for up to four additional 12-month periods based on vendor performance and the availability of funds.

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to cost; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

Instructions and Notifications to Offerors

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.
4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated in the proposal.
6. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is clearly indicated in the vendor’s proposal and the subcontractor(s) to be used is identified in the proposal.
7. The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds.

8. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

Any information submitted in response to this RFP that a vendor believes are trade secrets or commercial or financial information which is of a privileged or confidential nature should be clearly marked as such. The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

9. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
10. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an “Affirmative Action Policy Statement.”

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written “Affirmative Action Plan” prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the “Contract Compliance Report” (<http://odeo.ri.gov/documents/odeo-eeo-contract-compliance-report.pdf>), as well as the “Certificate of Compliance” (<http://odeo.ri.gov/documents/odeo-eeo-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For public works projects vendors and all subcontractors must submit a “Monthly Utilization Report” (<http://odeo.ri.gov/documents/monthly-employment->

[utilization-report-form.xlsx](#)) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact Vilma Peguero at the Rhode Island Equal Employment Opportunity Office, at 222-3090 or via e-mail at ODEO.EOO@doa.ri.gov.

11. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).

12. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. The current directory of firms certified as MBEs or WBEs may be accessed at <http://odeo.ri.gov/offices/mbeco/mbe-wbe.php>. Information regarding DisBEs may be accessed at www.gcd.ri.gov.

SECTION 2. BACKGROUND

CCRI has four campuses (Warwick, Lincoln, Newport County and Providence) as well as two satellite campuses (Providence and Westerly). The college offers programs in academic and vocational-technical areas as well as a full complement of programs and services for full and part-time students, for recent high school graduates and for older, adult learners. The college serves over 16,000 students with nearly 800 staff and faculty.

CCRI is a public, open access institution with an ethnically and economically diverse student body. The College offers almost 90 associate degree and certificate options to prepare students for high-wage job opportunities and/or for transfer to four-year institutions. As the only community college in the state, and the largest in New England, CCRI serves as the point of entry to higher education and training for thousands of Rhode Islanders, and is a natural starting point for many individuals who are looking to re-enter the work force, jumpstart their education, or change or advance their careers.

SECTION 3: SCOPE OF WORK AND REQUIREMENTS

General Scope of Work

The Community College of Rhode Island (CCRI) is seeking a vendor to provide access to regionalized labor market data for making decisions from the data as the college embarks upon aligning its programs with the workforce. CCRI seeks a web-based software tool that can supply labor market information and job posting analytics to support student success initiatives. This information will be used to inform employer partnerships, align curricula with in-demand skills and industries, and help define career paths.

This will be for a one (1) year period beginning approximately July 1, 2018 and would be renewable, at the discretion of the State, for up to four (4) additional one (1) year terms. All services will be billed on an agreed upon unit basis. The State reserves the right to award to multiple vendors. This solicitation is issued in accordance with the State's General Conditions of Purchase, which is available on the internet at www.purchasing.state.ri.us.

Specific Activities / Tasks

1. The vendor will provide a product to analyze job postings, industry, occupation, and education data at a regional and national level. Regional information will be available for Rhode Island, Massachusetts, and Connecticut.
2. The online database must include traditional and real-time labor market data from multiple public sources such as U.S. Bureau of Labor Statistics, IPEDS, O*Net.

Information on job postings, educational programs, skills, employers, and job titles must also be in the database.

3. Data must allow users to find how academic programs align with industry demand, analyze current and historical labor market demand by employer, find the needs of employers and key industries, find gaps in employer needs, identify in-demand and emerging industries and occupations, identify skills to inform curricula, and search for job descriptions.
4. Information provided will include career pathways, especially related to high demand industries and/or academic or skill development that relates to higher wage employment opportunities.
5. The data will be presented in a dashboard that is easily manipulated and includes current and historical labor market information. CCRI must be able to download the dataset in Word, Excel, and PDF format and use the information to inform strategic planning, curricula, and student support.
6. CCRI will be able to publicly display or publish any information exported through the software (i.e. use in meetings, website, marketing material), including data, graphics, and descriptions.
7. The vendor will allow for up to 5 unique user accounts plus two administrator accounts, within individual logins and search, save, and export capabilities.
8. The vendor will provide unlimited product support with training and troubleshooting through online, e-mail, call, and virtual interactions.
9. The vendor will submit a contract for a 12-month term with specific information about the timing of compensation. Fees should reflect pricing for a tax-exempt organization.
10. In addition to the product described above, the vendor can submit proposals for additional products or services. Potential needs include:
 - a. Alumni Search Tool – ability to gain insight on CCRI graduates (or those that didn't complete degree) to map program to career outcomes
 - b. Program Analysis – ability to determine how well a CCRI program is aligned with projected student and labor market demand.
 - c. Student Interface – ability for CCRI students and/or graduates to use tools to aid in job search and professional development attainment.
11. Beginning on a mutually agreed on date, the vendor will commence billing for services.
12. If applicable, the vendor will sign agrees to protect the Confidential Information provided by CCRI outlined in the Restriction of Use of Confidential Information Agreement (Agreement). A sample Agreement is provided and if needed will be revised by CCRI and sent to the vendor.

SECTION 4: PROPOSAL

A. Technical Proposal

Narrative and format: The proposal should address specifically each of the following elements:

1. **Scope of Product** – Provide detailed information about how the product is a value to CCRI and will help CCRI align programming with the workforce as it meets the needs of the scope of work
2. **Approach and Methodology** – Identify the methodology that is used for collecting information, including labor market data sources and searchable criteria. Provide a description of how data is presented through the product and any info-graphs, tables, or charts related to career pathways, labor market need, and employment trends.
3. **Qualifications and Staff Support**– Please provide a list of relevant client references and the type of services provided. Provide a description of the number of users and training and technical support services offered to users, including phone, e-mail, call, virtual, and/or in-person services.
4. **Value of Additional Services** – Provide rationale for the additional services and how it can enhance the product and any cost savings for bundling the product.

B. Cost Proposal

Provide a proposal for fees charged for the services outlined in this proposal. The fee structure should be based upon the various services to be provided and the total charges for an annual basis. The vendor is asked to explain the basis and rationale of your fee structure. Alternative fee schedule proposals will be considered; however, you must provide an understandable fee structure and explain the benefits of the alternative approach.

C. ISBE Proposal

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation.

SECTION 5: EVALUATION AND SELECTION

Proposals shall be reviewed by a technical evaluation committee (“TEC”) comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 50 (71.4%) out of a maximum of 70 points to advance to the cost evaluation phase. Any technical proposals scoring less than 50 points shall not have the accompanying cost or ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Technical proposals scoring 50 points or higher will have the cost proposals evaluated and assigned up to a maximum of 30 points in cost category bringing the total potential evaluation score to 100 points. After total possible evaluation points are determined ISBE proposals shall be evaluated and assigned up to 6 bonus points for ISBE participation.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) (“vendor”) that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

Criteria	Possible Points
Scope of Product	30 Points
Approach and Methodology	20 Points
Qualifications and Staff Support	10 Points
Value of Additional Services	10 Points
Total Possible Technical Points	70 Points
Cost proposal*	30 Points
Total Possible Evaluation Points	100 Points
ISBE Participation**	6 Bonus Points
Total Possible	106 Points

*Cost Proposal Evaluation:

The vendor with the lowest cost proposal shall receive one hundred percent (100%) of the available points for cost. All other vendors shall be awarded cost points based upon the following formula:

$$(\text{lowest cost proposal} / \text{vendor's cost proposal}) \times \text{available points}$$

For example: If the vendor with the lowest cost proposal (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly costs and service fees and the total points available are thirty (30), Vendor B's cost points are calculated as follows:

$$\$65,000 / \$100,000 \times 30 = 19.5$$

**ISBE Participation Evaluation:

a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.

b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$\begin{aligned} & (\text{Vendor's ISBE participation rate} \div \text{Highest ISBE participation rate} \\ & \quad \times \text{Maximum ISBE participation points}) \end{aligned}$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

General Evaluation:

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.
