Rhode Island State Police Vehicle Lettering

1. I am seeking your consideration of ORAFOL's ORALITE 5650RA Fleet Engineering Grade reflective film for this project. Like the product that the bid is currently specifying, Oralite 5650RA is a Federally compliant Type 1, Class 1 Engineering Grade reflective film as described in the ASTM D 4956 specification.

Our product offers spec-compliant reflective performance, easy installation due to our Rapid Air adhesive, and a very attractive price.

I've attached a link that will give you more details about the product and have attached the Tech Data sheet that will provide even greater detail about the product

<https://www.orafol.com/rs/americas/en/products/vehicle-conspicuity-7656-product-details/items/oralite-5650ra-fleet-engineer-grade> [orafol.com]

Answer: We are requiring the 3M product due to its durability.
