SECTION 1. INTRODUCTION

The Rhode Island Department of Administration/Division of Purchases, on behalf of the Rhode Island Department of Education (RIDE), is soliciting proposals from qualified firms to provide continuing support and growth to education leaders following the completion of training by the National Institute for School Leadership in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at www.purchasing.ri.gov.

The initial contract period will begin upon issuance of a state purchase order (approximately November 2018) for a period of three years. Contracts may be renewed for up to two additional 12-month periods based on vendor performance and the availability of funds.

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to cost; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

Instructions and Notifications to Offerors

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.
4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated in the proposal.
6. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is clearly indicated in the vendor’s proposal and the subcontractor(s) to be used is identified in the proposal.

7. The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds.
8. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

Any information submitted in response to this RFP that a vendor believes are trade secrets or commercial or financial information which is of a privileged or confidential nature should be clearly marked as such. The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

9. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
10. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an “Affirmative Action Policy Statement.”

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written “Affirmative Action Plan” prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the “Contract Compliance Report” (<http://odeo.ri.gov/documents/odeo-eeo-contract-compliance-report.pdf>), as well as the “Certificate of Compliance” (<http://odeo.ri.gov/documents/odeo-eeo-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For

public works projects vendors and all subcontractors must submit a “Monthly Utilization Report” (<http://odeo.ri.gov/documents/monthly-employment-utilization-report-form.xlsx>) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact Vilma Peguero at the Rhode Island Equal Employment Opportunity Office, at 222-3090 or via e-mail at ODEO.EOO@doa.ri.gov .

11. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).
12. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. The current directory of firms certified as MBEs or WBEs may be accessed at <http://odeo.ri.gov/offices/mbeco/mbe-wbe.php>. Information regarding DisBEs may be accessed at www.gcd.ri.gov.

SECTION 2. BACKGROUND

According to a 2004 study completed by the Wallace Foundation, the impact strong school leadership can have in schools, particularly high-poverty schools, is paramount after teacher effectiveness. RIDE is committed to strengthening leadership in Rhode Island schools in a variety of ways, including investing in professional learning for our state's educational leaders.

Beginning in August of 2017, RIDE in conjunction with the Partnership for Rhode Island, provided school and district level leaders with yearlong professional learning through the National Institute for School Leadership's Executive Development Program (NISL-EDP). A group of eighteen leaders consisting of principals, assistant principals, district level leaders, and a superintendent were carefully selected by RIDE and NISL to not only complete the NISL-EDP program, but to also complete training to become certified NISL-EDP facilitators themselves. It is RIDE's long term plan to have this cohort serve as facilitators of the program for new cohorts of school leaders in Rhode Island over the next two years.

The National Institute for School Leadership Executive Development Program consists of (12) 2-day units divided into three courses:

- Course 1: World-Class Schooling-Vision and Goals
- Course 2: Focus on Teaching and Learning
- Course 3: Sustaining Transformation through Capacity and Commitment

The program is designed to develop school leaders as visionaries, strategic thinkers, instructional leaders, collaborative team leaders, coaches and mentors, leaders of educational equity, data masters, and drivers of change. A variety of methods are used within the program to promote adult learning, including:

- Interactive instruction consisting of Socratic Seminar, group discussions, role playing, video analysis, and case studies
- Sustained, job-embedded learning over the course of a year allowing for application of new learning
- Action learning projects designed by participants, allowing them to address real challenges they are facing in their schools or districts
- A cohort model that leads to a professional learning community that fosters powerful peer-to-peer interactions in a safe environment, resulting in network of support that often continues long after the training is complete

Knowing that one of the optimal outcomes of this program is that participants build strong and supportive professional relationships with their fellow cohort members, RIDE seeks to keep these educators connected during subsequent school years through collaborative professional learning experiences.

SECTION 3: SCOPE OF WORK AND REQUIREMENTS

RIDE believes that providing high-quality, research-based professional learning opportunities to school leaders in Rhode Island will ultimately lead to higher levels of academic achievement and social emotional learning among Rhode Island students, rendering them fully prepared for success in college and/or career upon high school graduation. However, we recognize that leadership growth develops over time and through collaborative opportunities to engage with other school leaders. It is for these reasons that RIDE seeks a vendor to provide continued professional learning for the current LeadRI cohort that focuses on the following areas:

- Facilitative Leadership to support school leaders within their own schools and as facilitators of the NISL-EDP program
- Problems of Practice to address authentic leadership dilemmas of cohort leaders
- Continued development of school leaders as visionaries, strategic thinkers, instructional leaders, collaborative team leaders, coaches and mentors, leaders of educational equity, data masters, and drivers of change

The contracted vendor would provide RIDE with the following:

- Training up to six times each year throughout the 2018-2019, 2019-2020 and 2020-2021 school years for up to (18) eighteen LeadRI cohort members in Year One and up to fifty members in future years.
- Access to proprietary professional development training materials/curriculum
- Training includes materials
- Training includes a variety of adult learning strategies
- Feedback data from cohort members reflecting their perceived value of the programming

Vendors must have extensive expertise in adult learning and school leader development.

SECTION 4: PROPOSAL

A list of relevant client references must be provided, to include client names, addresses, phone numbers, dates of service and type(s) of service(s) provided.

The following elements should be included: 1) Overall goals of the programming 2) Clear objectives for each session 3) Activities to be used to facilitate leadership learning and collaboration 4) Texts or resources to be used to support achievement of goals and objectives

B. Cost Proposal

Detailed Budget and Budget Narrative:

Provide a proposal cost proposal to include the following: Employee Salary and Benefits (Please include hourly rate and anticipated hours of support)

Supplies and Materials

Travel

Other: (Membership/Licensing) and any other costs

For each area specifically include details/reason for this expense category and what would be included. All costs borne of by the vendor, including fringe benefits, etc.

The evaluation criterion will focus on the appropriateness, reasonableness, and competitiveness of the cost proposal, comprised of the respondent's comprehensive hourly rate, daily rate and/or fixed price for consultant/coaching services. If multiple rates are submitted, an average of the rates will be used for scoring purposes. Because we anticipate a diverse range of services in the proposals, RIDE reserves the right to group bids by category/type of service to evaluate the cost proposals.

Costs are a weighted factor in the bid evaluation process and may have a considerable impact on which vendors are selected for use.

C. ISBE Proposal

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation.

SECTION 5: EVALUATION AND SELECTION

Proposals shall be reviewed by a technical evaluation committee ("TEC") comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 60 (85.7%) out of a maximum of 70 points to advance to the cost evaluation phase. Any technical proposals scoring less than 60 points shall not have the accompanying cost or ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Technical proposals scoring 60 points or higher will have the cost proposals evaluated and assigned up to a maximum of 30 points in cost category bringing the total potential evaluation score to 100 points. After total possible evaluation points are determined

ISBE proposals shall be evaluated and assigned up to 6 bonus points for ISBE participation.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) (“vendor”) that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

Criteria	Possible Points
Staff Qualifications	10 Points
Capability, Capacity, and Qualifications of the Offeror	10 Points
Work Plan	50 Points
Total Possible Technical Points	70 Points
Cost proposal*	30 Points
Total Possible Evaluation Points	100 Points
ISBE Participation**	6 Bonus Points
Total Possible Points	106 Points

***Cost Proposal Evaluation:**

The vendor with the lowest cost proposal shall receive one hundred percent (100%) of the available points for cost. All other vendors shall be awarded cost points based upon the following formula:

$$(\text{lowest cost proposal} / \text{vendor's cost proposal}) \times \text{available points}$$

For example: If the vendor with the lowest cost proposal (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly costs and service fees and the total points available are thirty (30), Vendor B’s cost points are calculated as follows:

$$\$65,000 / \$100,000 \times 30 = 19.5$$

****ISBE Participation Evaluation:**

a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the

amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.

2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.

b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$\text{(Vendor's ISBE participation rate} \div \text{Highest ISBE participation rate} \\ \text{X Maximum ISBE participation points)}$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

General Evaluation:

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.
