RFQ 7597599 BIOMEDICAL/ MECHANICAL EQUIP SAFETY INSPECTION AND REPAIR

Question:

Do Biomedical and Mechanical Engineers have to remain on-site during normal work hours?

Answer:

Equipment repair needs to be performed on-site or in their place of business (if they do not have the proper equipment to repair the unit). The on-site repairs need to be done during normal work hours of 8:30 a.m. to 4 p.m. Monday through Friday.

Question:

Or, are they only to be available within the local area?

Answer:

There are six facilities which are located at the Pastore Complex in Cranston.
