## **Vendor Questions with State Responses for RFQ #7597608 MATRICE 210 DRONE & SERVICE MAINTENANCE - DOC**

Question 1: On page 4 under STANDARD FEATURES, we would like clarification on what exactly the expectations are for the 5 Year Maintenance/Service Agreement. Please be aware that this aircraft may not be around for more than 3 years.

Answer to question 1: After deliberation, DOC has decided to eliminate the five (5) year maintenance/service agreement requirement. However, we are making it **mandatory** to include the one (1) year factory warranty in the price of your bid. If this standard warranty is not included in your bid submission you will not be considered. Please use the amended bid form posted with this addendum.

Question 2: On page 4 under STANDARD FEATURES, the DJI Zenmuse XT2 has no specifications. Please advise which model exactly you are requesting. The options are as follows:

- Resolution: 640x512 or 336x256
- Refresh Rate: 30hz or 9hz
- Lens Size: 9mm, 13mm, 19mm or 25mm

Answer to question 2: The following specifications is what is expected for the DJI Zenmuse XT2:

- Resolution: 640x512
- Refresh Rate: 30hz
- Lens Size: 13mm

Question 3: Can I get more information on the service contract part of the bid RFQ #7597608. Five years is a bit long for this type of item. It's like asking for a 5-year service contract on an iPad that gets a new model every year?

Answer to question 3: Refer to the answer to question #1.

Question 4: The second line item is the XT2 but it does not say what model? There are 11 different versions of the XT2 Camera and the price varies greatly between them.

Answer to question 4: Refer to the answer to question #4.
