SECTION 1. INTRODUCTION

The Rhode Island Department of Administration/Division of Purchases, on behalf of the Rhode Island Department of Corrections (“RIDOC”), is soliciting proposals from qualified firms to provide victim advocates for emotional support services related to sexual abuse (as defined by PREA) upon referral from RIDOC when such services have been requested by an eligible inmate, in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at www.purchasing.ri.gov.

The initial contract period will begin approximately February 1, 2019 and continue through June 30, 2020. This contract may be renewed for an additional three (3) years, contingent upon vendor performance and the availability of funds, at the discretion of the State.

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to cost; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

Instructions and Notifications to Offerors

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.
4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated in the proposal.
6. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is clearly indicated in the vendor’s proposal and the subcontractor(s) to be used is identified in the proposal.

7. The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds.
8. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

Any information submitted in response to this RFP that a vendor believes are trade secrets or commercial or financial information which is of a privileged or confidential nature should be clearly marked as such. The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

9. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
10. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an “Affirmative Action Policy Statement.”

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written “Affirmative Action Plan” prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the “Contract Compliance Report” (<http://odeo.ri.gov/documents/odeo-eeo-contract-compliance-report.pdf>), as well as the “Certificate of Compliance” (<http://odeo.ri.gov/documents/odeo-eeo-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For

public works projects vendors and all subcontractors must submit a “Monthly Utilization Report” (<http://odeo.ri.gov/documents/monthly-employment-utilization-report-form.xlsx>) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact Vilma Peguero at the Rhode Island Equal Employment Opportunity Office, at 222-3090 or via e-mail at ODEO.EOO@doa.ri.gov .

11. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).
12. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. The current directory of firms certified as MBEs or WBEs may be accessed at <http://odeo.ri.gov/offices/mbeco/mbe-wbe.php>. Information regarding DisBEs may be accessed at www.gcd.ri.gov.

SECTION 2. BACKGROUND

PREA is a federal law enacted in 2003. PREA was created to eliminate sexual abuse in confinement. The National Prison Rape Elimination Commission developed and recommended national standards for reducing prison rape. The final PREA Standards became effective on June 20, 2012 when they were adopted by the Department of Justice. These standards are intended to assist confinement facilities with their efforts to prevent, detect and respond to incidents of sexual abuse and harassment of inmates.

The final PREA Standards include provisions that are specific to the provision of confidential victim services for victims of sexual abuse (*as defined by PREA*), including, but not limited to, Standards 115.6, 115.21 and 115.53.

Specific Requirements:

The PREA Standards for Adult Prisons and Jails, Standard 115.6 specifically, provides definitions related to sexual abuse.

PREA Standard 115.21 specifies that the agency shall attempt to make available a victim advocate from a rape crisis center. If a rape crisis center is not available to provide victim advocate services, the agency shall make available to provide these services a qualified staff member from a community-based organization. For the purposes of this standard, a rape crisis center refers to an entity that provides intervention and related assistance, such as the services specified in 42 U.S.C. 14043g(b)(2)(C), to victims of sexual assault of all ages. The agency may utilize a rape crisis center that is part of a governmental unit as long as the center is not part of the criminal justice system (such as a law enforcement agency) and offers a comparable level of confidentiality as a nongovernmental entity that provides similar victim services. As requested by the victim of sexual abuse, the victim advocate or qualified community-based organization staff member shall accompany and support the victim of sexual abuse through investigatory interviews and shall provide emotional support, crisis intervention, information, and referrals.

PREA Standard 115.53 specifies that the agency shall provide inmates with access to outside victim advocates for emotional support services related to sexual abuse.

SECTION 3: SCOPE OF WORK AND REQUIREMENTS

General Scope of Work

The PREA Emotional Support Services Provider shall be familiar with the PREA Standards for Adult Prisons and Jails, including, but not limited to, PREA Standards 115.6, 115.21 and 115.53. [See <https://www.prearesourcecenter.org/> for more information.]

PREA Emotional Support Services Provider shall provide support, information, and referrals to victims of sexual abuse (*as defined by PREA*) at RIDOC facilities upon referral from RIDOC when such services have been requested by an eligible inmate.

Specific Activities / Tasks

1. The PREA Emotional Support Services Provider shall provide emotional support services to victims of sexual abuse (as defined by PREA Standard 115.6) at RIDOC, including;
 - a. Responding to RIDOC facilities or offices to accompany and support victims during investigative interviews with the Special Investigations Unit, Office of Inspections, Rhode Island State Police, and/or any other law enforcement entities as appropriate;
 - b. Written correspondence and/or telephonic contact for crisis intervention and emotional support; and
 - c. Referrals as needed.

Deliverables: The PREA Emotional Support Services Provider shall complete the aforementioned activities/tasks upon referral from RIDOC when victim services have been requested by an eligible inmate.

RIDOC Responsibilities:

RIDOC shall provide PREA training to the PREA Emotional Support Services Provider to ensure that the contractor understands (1) RIDOC's zero tolerance mandate regarding sexual abuse and sexual harassment of inmates and (2) how to report PREA incidents.

RIDOC shall make involvement of the PREA Emotional Support Services Provider a component of its facility based PREA Sexual Abuse Incident Coordinated Response Plans.

RIDOC shall notify the PREA Emotional Support Services Provider when an eligible inmate victim of sexual abuse requests emotional support services.

RIDOC shall notify the PREA Emotional Support Services Provider when investigative interviews are scheduled and accommodate scheduling requests when possible.

RIDOC shall ensure that the PREA Emotional Support Services Provider is cleared to enter all RIDOC facilities for investigative interviews or to meet with eligible inmate victims. RIDOC shall provide for other logistical needs, such as a private meeting space on an as needed basis.

RIDOC shall facilitate follow-up, whenever possible, between an eligible inmate victim of sexual abuse and the PREA Emotional Support Services Provider by mail or telephone while emotional support services are being provided to the inmate victim.

RIDOC shall communicate any questions or concerns to the PREA Emotional Support Services Provider.

Contractor Responsibilities:

The contractor shall work with designated officials to obtain security clearance and follow all facility guidelines for safety and security, as necessary.

The contractor shall maintain confidentiality of the victim inmates it provides assistance to, except that the contractor shall inform all of the inmates it provides services to that it is obligated to report any allegation(s) of sexual abuse and/or sexual harassment that occurred in a confinement setting to RIDOC in order to maintain compliance with the RIDOC PREA Policy, the federal PREA Standards and any relevant state mandatory reporting laws (i.e.- child abuse, elder abuse, etc.).

The contractor shall be trained on its responsibilities relating to RIDOC's sexual abuse and sexual harassment prevention, detection and response policies and procedures, including, but not limited to: (1) notification of RIDOC's zero tolerance mandate regarding sexual abuse and sexual harassment of inmates and (2) how to report such incidents.

The contractor shall provide personnel to provide victim services to eligible inmates on an individual basis (i.e.- no groups). All personnel provided by contractor shall attend orientation and entrance level training at the RIDOC Training Academy prior to providing services to inmates.

The contractor shall document all inmate contacts (accompaniment to investigatory interviews, written correspondence, and telephonic contacts) and provide data to RIDOC (i.e.- number of inmates served per quarter, number of investigatory interviews attended per quarter, time spent per inmate per quarter, etc.).

The contractor shall communicate any question or concerns to the RIDOC Agency PREA Coordinator.

Security Requirement:

Contractors and/or employees of contractors who must gain entrance into RIDOC facilities are subject to police record checks. RIDOC retains the right to refuse entrance to contractors and/or employees of contractors with felony convictions. Access to RIDOC facilities also requires adherence to rigid security rules as far as property search, contact with inmates, etc. This includes, but is not limited to, compliance with facility entrance procedure/process, passing through the metal detector without activation, and article/item screening.

SECTION 4: PROPOSAL

A. Technical Proposal

Narrative and format: The proposal should address specifically each of the following elements:

1. **Staff Qualifications** – Provide staff resumes and describe qualifications and experience of key staff who will be involved in this project, including their experience. Emphasis should be placed on staff qualifications that are specific to providing sexual assault victim services and working with inmates.

2. **Capability, Capacity, and Qualifications of the Offeror** - Provide proof if an organization is a rape crisis center (rape crisis center refers to an entity that provides intervention and related assistance, such as the services specified in 42 U.S.C. 14043g(b)(2)(C), to victims of sexual assault of all ages). Provide a detailed description of the Vendor's experience. A list of relevant client references (at least four (4) are requested) to include: client names, addresses, phone numbers, dates of service and type(s) of service(s) provided.
3. **Work Plan** - Describe in detail, the framework within which requested services will be performed consistent with General Scope of Work and Specific Tasks and Responsibilities.
4. **Approach/Methodology** – Define the methodology and procedures to be used.

B. Cost Proposal

Detailed Budget and Budget Narrative: Provide a proposal for fees charged reflecting the hourly rate, or other fee structure, proposed to complete all of the requirements of this project. The Budget and Budget Narrative should also incorporate travel expenses, if appropriate. Alternative fee schedule proposals will be considered; however, you must provide an understandable fee structure and explain the benefits of the alternative approach.

C. ISBE Proposal

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation.

SECTION 5: EVALUATION AND SELECTION

Proposals shall be reviewed by a technical evaluation committee (“TEC”) comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 60 (85.7%) out of a maximum of 70 points to advance to the cost evaluation phase. Any technical proposals scoring less than 60 points shall not have the accompanying cost or ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Technical proposals scoring 60 points or higher will have the cost proposals evaluated and assigned up to a maximum of 30 points in cost category bringing the total potential evaluation score to 100 points. After total possible evaluation points are determined ISBE proposals shall be evaluated and assigned up to 6 bonus points for ISBE participation.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) (“vendor”) that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

| Criteria | Possible Points |
|---|------------------------|
| Staff Qualifications | 10 Points |
| Capability, Capacity, and Qualifications of the Offeror | 10 Points |
| Work Plan | 30 Points |
| Approach Proposed | 20 Points |
| Total Possible Technical Points | 70 Points |
| Cost proposal* | 30 Points |
| Total Possible Evaluation Points | 100 Points |
| ISBE Participation** | 6 Bonus Points |
| Total Possible Points | 106 Points |

***Cost Proposal Evaluation:**

The vendor with the lowest cost proposal shall receive one hundred percent (100%) of the available points for cost. All other vendors shall be awarded cost points based upon the following formula:

$$(\text{lowest cost proposal} / \text{vendor's cost proposal}) \times \text{available points}$$

For example: If the vendor with the lowest cost proposal (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly costs and service fees and the total points available are thirty (30), Vendor B's cost points are calculated as follows:

$$\$65,000 / \$100,000 \times 30 = 19.5$$

****ISBE Participation Evaluation:**

a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the

amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.

b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$\begin{aligned} & (\text{Vendor's ISBE participation rate} \div \text{Highest ISBE participation rate} \\ & \quad \times \text{Maximum ISBE participation points}) \end{aligned}$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

General Evaluation:

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.
