Addendum #2

RFP# 7597648

TITLE: Grants Management System

Submission Deadline: January 9, 2019 at 2:00 PM (ET)

Please note the following changes:

- 1) *"Appendix H: State of Rhode Island General Contract Provisions* is a sample contract for a SaaS project. The intent is to provide bidders with an idea of State expectations for the contract. It in no way reflects the State's preference in project approach. The final contract will be negotiated and reflect the chosen approach (PaaS, aPaaS, SaaS/COTS)"
- 2) Performance Bond – remove requirement for Performance Bond. "The State has decided to remove the requirements for a Performance Bond as the RFP and Contract will include sufficient provisions to protect the State and taxpayer interests."
- 3) Capability, Capacity and Qualifications of the Vendor section 4.1 C & D, the references must include bidder's personnel and subcontractors who worked on the project(s).
