Questions for: Solicitation # 7597706

TITLE: MPA 461 - On-Call Professional Land Surveying Services

- 1. The RFP and Addendum #2 are requesting different things. What format do we follow and which items do you want us to include? Respondents should include the documents listed in the original solicitation in addition to the documents listed in Addendum #2**
- 2. Do you want a Fee Proposal sent separately from the Technical request in Addendum #2? (The RFP requests fee information, however, Addendum #2 does not). Please submit fees in a separately sealed envelope and based upon the Fees Schedule which is Item #5 on Page 5 (A-E) of the original solicitation**
- 3. Can we choose the services we will provide from the list shown in Addendum #2? Or do we need to provide services for all listed? Include all services that you intend to self-perform along with those you intend to sub-contract out.**
- 4. Can we as the prime contractor provide some of the services listed on Page 4 of Addendum #2, Section V. SUB-CONSULTANTS/SUB-CONTRACTORS or can only subs provide those services listed? The Prime Consultant may self-perform if they have qualified personnel to do so.**
- 5. Can we submit our proposal in PDF format, or should it be in Word format? Submit in pdf format**
