## SECTION 1. INTRODUCTION

The Rhode Island Department of Administration/Division of Purchases, on behalf of the Rhode Island College (RIC), is soliciting proposals from qualified firms to provide an Economic Impact Study for Rhode Island College in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at [www.purchasing.ri.gov](http://www.purchasing.ri.gov).

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to cost; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

The initial contract period will begin approximately April 1, 2019 for a six-month period.

### Instructions and Notifications to Offerors

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.
4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated in the proposal.
6. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is clearly indicated in the vendor’s proposal and the subcontractor(s) to be used is identified in the proposal.
7. The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds.

8. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

Any information submitted in response to this RFP that a vendor believes are trade secrets or commercial or financial information which is of a privileged or confidential nature should be clearly marked as such. The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

9. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
10. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an “Affirmative Action Policy Statement.”

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written “Affirmative Action Plan” prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the “Contract Compliance Report” (<http://odeo.ri.gov/documents/odeo-eeo-contract-compliance-report.pdf>), as well as the “Certificate of Compliance” (<http://odeo.ri.gov/documents/odeo-eeo-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For public works projects vendors and all subcontractors must submit a “Monthly Utilization Report” (<http://odeo.ri.gov/documents/monthly-employment->

[utilization-report-form.xlsx](#)) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact the Rhode Island Equal Employment Opportunity Office, at 222-1452 or via e-mail at [vilma.peguero@doa.ri.gov](mailto:vilma.peguero@doa.ri.gov).

11. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).
12. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. The current directory of firms certified as MBEs or WBEs may be accessed at <http://odeo.ri.gov/offices/mbeco/mbe-wbe.php>. ## **SECTION 3: SCOPE OF WORK AND REQUIREMENTS**

### **General Scope of Work**

The vendor selected will complete a detailed study of the economic impact of Rhode Island College (RIC) on the State of Rhode Island and the northeast region (New England and Metro New York City Area) of the United States. It is the objective of the college for the study to have methodologies, findings/data, and deliverables be built on accuracy, not advocacy, so that the study can pass peer reviews and be considered credible to the general public. The awarded vendor will meet with the administration of the college to review objectives and deliverables of the study outlined below:

- Identify, define, quantify, and provide analysis of direct, indirect, and induced economic value of Rhode Island College on the State of Rhode Island and northeast region (New England and Metro New York City Area). The study shall include quantitative data to demonstrate the economic value of the college. The study will not include statistical significance analysis.
- The economic impact analysis shall include the following facets to examine the direct and indirect multiplier effect that occurs when RIC and their employees and students spend money in the region, as well as the economic benefits generated by the alumni who are living and working within the local economy.
  - Operations Impacts: estimate the direct, indirect and induced economic impacts of RIC as an enterprise in its own right, including as a revenue generator, an employer, a buyer of goods and services, and a sponsor of construction projects.
  - Student Spending Impacts: estimate the direct, indirect and induced economic impact of students who spend money on food, transportation, and other personal expenses while attending RIC.
  - Human Capital Impacts: estimate the direct, indirect and induced economic impact of RIC alumni's higher earnings and the increased productivity of state and local businesses from human capital accumulation in the regional workforce.
- Quantitative analysis of the college's impact on social mobility and quality of life for the state and region.
- Conceptual examples of data to be included, but not limited to:
  - Impact on the education, healthcare, and performing and fine arts industries within the state and region, but not limited to these industries
  - Percentage of RIC that contributes to State of Rhode Island Gross Domestic Product (GDP). The goal would be to address the relative percentage of RIC's impact in relation to the size of Rhode Island's economy
  - State and local/municipal taxes paid by students, alumni, activities of RIC
  - Identify and analyze the number of jobs (indirect and direct) created and/or sustained as a result of Rhode Island College. This includes vendors supported by RIC and jobs created and/or sustained by these vendors
  - Impact on business development and community engagement
  - Impact on first generation postsecondary students, Pell-eligible students, and minority students

- Estimate the return on investment for the state by comparing state appropriation levels to the economic benefits generated by RIC
- Recommendations of how to utilize and leverage findings of study and next steps. This includes understanding macro trends

## Deliverables

- Main Report and Executive Summary: the main report shall present all findings of the analysis in the context of clearly spelled-out assumptions, theory, and data sources, along with a glossary of terms. The executive summary shall contain the major findings written in layperson's terms that is suitable for popular and media circulation.
- Fact sheet: the one-page fact sheet shall summarize the main results of the study and include charts and graphs. The sheet will be made available to key stakeholders of the college.
- Presentation and PowerPoint: the vendor shall present all key findings in a concise presentation to the cabinet and extended cabinet of the college. The presentation can be done via teleconference and/or in person.

All deliverables shall be provided in pdf and word formats.

## Additional Information

The college will provide information, facts, and data upon request of the awarded vendor to assist with the completion of the study. It will also provide some direction of where to obtain other types of data sets (i.e. RI Department of Labor and Training labor statistics).

3. **Capability, Capacity, and Qualifications of the Offeror:** Please provide a detailed description of the vendor's experience, including experience with studies for institutions of higher education. A list of relevant client references must be provided, to include client names, addresses, phone numbers, dates of service and type(s) of service(s) provided.   - c. Does the proposed project plan appear sensitive to budget and time constraints?
  - d. Does the Respondent identify both constraints and opportunities posed by this project?
  - e. Is there a project schedule provided by the Respondent and is that schedule achievable (not overly optimistic or needlessly long)?
  - f. Is the staff to be assigned to the project, including a project manager, identified including FTE and/or hourly effort?
  - g. Does the level of effort for each objective appear adequate? How well does the vendor propose to collect data in different ways?
  - h. Does the Respondent describe their current workload and the availability of their personnel to perform the project, is it a feasible?

## **B. Cost Proposal**

The Professional Fee proposal will provide a Lump Sum Fixed Fee including reimbursable expenses (travel, sub-consultants, etc.).

## **C. ISBE Proposal**

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation.

## **SECTION 5: EVALUATION AND SELECTION**

Proposals shall be reviewed by a technical evaluation committee (“TEC”) comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 45 out of a maximum of 65 points to advance to the cost evaluation phase. Any technical proposals scoring less than 45

points shall not have the accompanying cost or ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Cost proposals will be evaluated and assigned up to a maximum of 35 points in cost category bringing the total potential evaluation score to 100 points. After total possible evaluation points are determined ISBE proposals shall be evaluated and assigned up to 6 bonus points for ISBE participation.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) (“vendor”) that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

<b>Criteria</b>	<b>Possible Points</b>
Staff Qualifications	25 Points
Capability, Capacity, and Qualifications of the Vendor (Including References)	20 Points
Project Approach and Plan Schedule	20 Points
<b>Total Possible Technical Points</b>	<b>65 Points</b>
Cost proposal*	35 Points
<b>Total Possible Evaluation Points</b>	<b>100 Points</b>
ISBE Participation**	6 Bonus Points
<b>Total Possible Points</b>	<b>106 Points</b>

**\*Cost Proposal Evaluation:**

The vendor with the lowest cost proposal shall receive one hundred percent (100%) of the available points for cost. All other vendors shall be awarded cost points based upon the following formula:

$$(\text{lowest cost proposal} / \text{vendor's cost proposal}) \times \text{available points}$$

For example: If the vendor with the lowest cost proposal (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly costs and service fees and the total points available are thirty (35), Vendor B's cost points are calculated as follows:

$$\$65,000 / \$100,000 \times 35 = 22.75$$

## \*\*ISBE Participation Evaluation:

### a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.

### b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$\begin{aligned} & (\text{Vendor's ISBE participation rate} \div \text{Highest ISBE participation rate} \\ & \quad \times \text{Maximum ISBE participation points}) \end{aligned}$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive  $(12\% \div 20\%) \times 6$  which equals 3.6 points.

## General Evaluation:

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.
