1. To insure that our poly tank system would fit and adequately work in the existing RIDOT dump bodies we would need to look at them and measure them for accuracy. Where would we be able to see these bodies? Who would we contact to schedule a time to see these bodies?

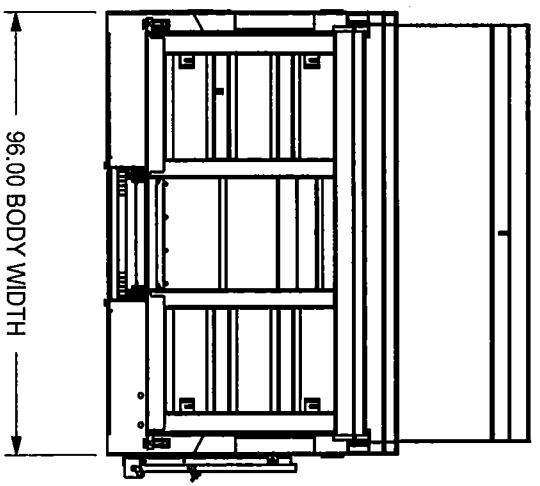

Matt Spina can be contacted at 401-265-0447 M-F between 7:00am and 3:30pm to schedule a viewing of a vehicle located at the Smithfield Facility which is at 395 George Washington Highway in Smithfield.

2. What is the Inside width of the truck bed?

Please see attached drawings. Please refer to question number 1 above for viewing current models.
