ADDENDUM NUMBER TWO
RFQ # 7598618
TITLE: STATE HOUSE ELEVATORS MODERNIZATION

Closing Date and Time: 3/27/19 AT 10:00AM (Note Change)

Per the issuance of this ADDENDUM #2 (1 page) the following is noted:

Please be advised the Bid Closing Date and Time has been extended:
From: 3/18/19 at 10:00AM
To: 3/27/19 at 10:00 AM

This addendum posts additional information regarding the elevator cabins.
This addendum changes bid closing date and time.

The first addendum listed the company that provided the original elevator cab's decorative bronze components. Some of the items were one-of-a-kind that Hamilton Cab originally made from molds that they made from scratch. There are other companies that can do the bronze work.

Anyone renovating this cab will need to create new components using the existing ones in the cab for their molds.

All bronze work will need to be approved by the agency.

The agency understands that lead times for custom items within the elevator cabin may cause a delay. Any delays need to be communicated to the agency as soon as they become known.
