**RIDOT Addendum Notification**

**On-Call Engineering Services for Traffic Design Task Order Program**

RFP# 7598676  
ADDENDUM #1  
SUBMISSION DEADLINE: April 5, 2019 @ 1pm

Per the issuance of the Rhode Island Department of Transportation **ADDENDUM # 7598676A1** the following changes and clarifications are noted:

- 1) The Questions and Answers that were asked at the Pre-Proposal Meeting that took place on March 19, 2019 beginning at 9:30am

Q: Looking at the firm experience you specify to provide projects with a construction value of \$3 million or more, in traffic design we don't generally reach that high of a goal. Is that value specifically in traffic design or just overall transportation projects?

A: We will review that dollar amount to see if it is reasonable.

- 2) Attached are the attendance sheets from the Pre-proposal meeting.

APPROVED:

Lon Fisetto  
Manager, Project Management
