**RFP 7598782
ADDENDUM #3
SUBMISSION DEADLINE: June 4, 2019 at 1:00 PM**

Per the issuance of the Rhode Island Department of Transportation **ADDENDUM # 7598782A3** the following changes and clarifications are noted:

Please disregard the previous Addendum #2 that was posted.

During the Pre-Bid Meeting on 5/22/19, some questions were raised about the availability of Items 19, 20, 21, 33, and 34.

Upon further review, replacement parts for the Planar Margay II are no longer available. Therefore, Item #s 19, 20 and 21 have been removed from Bid Table.

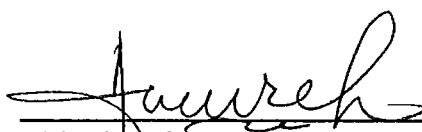

Item # 33 does not refer to a specific model number, and any monitor which fully meets the specification T12.9915 is acceptable.

For Item #34 Interlink Planar Replacement Monitor, the Job Specification T12.9912 refers to the MX46-L ERO LCD Panel. If this specific model cannot be provided, then another model which fully meets the specification is acceptable.
