§ 1.4 Except with the Owner's knowledge and consent, the Architect shall not engage in any activity, or accept any employment, interest, or contribution that would reasonably appear to compromise the Architect's professional judgment with respect to this Project.

§ 1.5 The Architect shall maintain the following types and limits of insurance until termination of this Agreement, unless different amounts have been specified in the Solicitation:

§ 1.5.1 Commercial General Liability (including broad-form contractual liability and completed operations) with policy limits of not less than \$1,000,000 for each occurrence and aggregate for projects for bodily injury and property damage.

§ 1.5.3 The Architect may achieve the required limits and coverage for Commercial General Liability and Commercial Automobile Liability through a combination of primary and excess or umbrella liability insurance, provided such primary and excess or umbrella liability insurance policies result in the same or greater coverage as the coverages required under Sections 1.5.1 and 1.5.2, and in no event shall any excess or umbrella liability insurance provide narrower coverage than the primary policy. The excess policy shall not require the exhaustion of the underlying limits only through the actual payment by the underlying insurers.

ARTICLE 3 COPYRIGHTS AND LICENSES

§ 3.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§ 3.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 3.3 Upon execution of this Agreement, the Architect grants to the Owner a nonexclusive perpetual license to use the Architect's Instruments of Service, including electronic or digital documents, solely and exclusively for the purposes of evaluating, constructing, using, maintaining, altering and adding to the Project, and shall have and retain all rights to use and reproduce them for the production and maintenance of the Work described therein, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums due pursuant to Article 5 and Article 6. The Architect shall obtain similar nonexclusive licenses from the Architect's

consultants consistent with this Agreement. These Instruments of Service shall be conveyed to the Owner in their original operative, editable, electronic form in order to allow the Owner's integration of the data into the Owner's or User Agency's facilities management database. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 5.4, the license granted in this Section 3.3 shall terminate.

§ 3.3.1 Upon full payment of all sums due the Architect under this Agreement, all of the original Drawings, Specifications, and electronic data prepared by the Architect for the Project shall, without further action by the Architect, become the property of the Owner. The terms of this Section 3.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 5.4.

§ 3.4 Except for the licenses granted in this Article 3, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

§ 3.5 Except as otherwise stated in Section 3.3, the provisions of this Article 3 shall survive the termination of this Agreement.

ARTICLE 4 CLAIMS AND DISPUTES

§ 4.1.1 The Owner and Architect shall commence all claims and causes of action against the other and arising out of or related to this Agreement, whether in contract, tort, or otherwise, in accordance with the requirements of the binding dispute resolution method selected in this Agreement and within the period specified by applicable law. The Architect waives all claims and causes of action not commenced in accordance with this Section 4.1.1.

§ 4.1.2 To the extent damages are covered by property insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents, and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A201-2007, General Conditions of the Contract for Construction, as modified by the Owner. The Architect shall require of the contractors, consultants, agents, and employees of any of them, similar waivers in favor of the other parties enumerated herein.

Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Section 4.1.4.

§ 4.1.4.1 Without limiting the generality of the foregoing, the defense and indemnity set forth in this Section 4.1.4 includes, without limitation, all judgments, liabilities, damages, losses, claims, demands, and actions on account of bodily injury, death, or property loss to a person or entity indemnified hereunder or any other persons or entities,

whether based upon statutory (including, without limitation, workers compensation), contractual, tort, or other liability of any person or entity so indemnified.

§ 4.1.4.2 The remedies set forth herein shall not deprive any person indemnified hereunder of any other indemnity action, right, or remedy otherwise available to any such person or entity at common law or otherwise.

§ 4.1.4.3 The Architect will include the indemnity set forth in this Section 4.1.4 without modification, in each Subcontract with any Subconsultant or Subcontractor.

§ 4.1.4.4 Notwithstanding any other language in the Contract Documents to the contrary, the indemnity hereunder shall survive Final Completion of the Work and final payment under this Agreement and shall survive any termination of this Agreement.

§ 4.1.5 The Owner shall have the right to deduct from any payments due to the Architect the amount of any unpaid obligations owed to the State of Rhode Island by the Architect, including without limitation, any and all unpaid taxes, the amount of any claim against the Architect arising out of this Agreement, or any amount on account of any other reason permitted by applicable law.

An initial decision shall be required as a condition precedent to binding dispute resolution pursuant to Section 4.3.1 of any Claim arising prior to the date final payment is due.

§ 4.2.2 For any Claim not resolved by the Initial Decision Maker procedures set forth in Section 4.2.1, and prior to the implementation of the binding dispute resolution procedures set forth in Section 4.3.1, the Architect shall have the option to pursue mediation, exercisable by written notice to the Owner within 30 calendar days of an Initial Decision. In the event of the exercise of such option by the Architect, the Owner and the Architect shall attempt to select a mediator, and in the event that the Owner and the Architect cannot agree on a mediator, either party may apply in writing to the Presiding Justice of the Providence County Superior Court, with a copy to the other, with a request for the court to appoint a mediator, and the costs of the mediator shall be borne equally by both parties.

§ 4.4 The provisions of this Article 4 shall survive the termination of this Agreement.

ARTICLE 5 TERMINATION OR SUSPENSION

§ 5.1 If the Owner fails to make payments to the Architect in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Architect's option, cause for suspension of performance of services under this Agreement. If the Architect elects to suspend services, the Architect shall give 7 working days' written notice to the Owner before suspending services. In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Owner shall pay the Architect all sums due prior to suspension and any expenses incurred in the interruption and resumption of the Architect's services. The Architect hereby

consents to and confers exclusive personal jurisdiction upon the courts of the state of Rhode Island and of the federal government sitting within this state. In the event of any conflicts or discrepancies among the Contract Documents, the provisions of the Contract Documents will be interpreted in the order of priority set forth in Section 1.2.4 AIA Document A201-2007, General Conditions of the Contract for Construction, as modified by the Owner.

§ 7.2 Except as separately defined herein, terms in this Agreement shall have the same meaning as those in AIA Document A201™-2007, General Conditions of the Contract for Construction, as modified by the Owner.

§ 7.3 The Owner and Architect, respectively, bind themselves, their agents, successors, assigns, and legal representatives to this Agreement; provided, however, that the Architect may not assign its rights nor delegate its responsibilities under this Agreement without the Owner's prior written consent.

§ 7.4 The parties shall agree upon protocols governing the transmission and use of Instruments of Service or any other information or documentation in digital form.

§ 7.4.1 Any use of, or reliance on, all or a portion of a building information model without agreement to protocols governing the use of, and reliance on, the information contained in the model shall be at the using or relying party's sole risk and without liability to the other party and its contractors or consultants, the authors of, or contributors to, the building information model, and each of their agents and employees.

§ 7.5 If the Owner requests the Architect to execute certificates, the proposed language of such certificates shall be submitted to the Architect for review a reasonable time prior to the requested dates of execution.

§ 7.6 The User Agency is a disclosed third-party beneficiary of this Agreement and shall have all of the rights and benefits to which such a party is entitled hereunder. Nothing contained in this Agreement shall create any other contractual relationship with, or a cause of action in favor of, a third party against the Owner, User Agency, or Architect.

§ 7.7 Unless otherwise required in this Agreement, the Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

§ 7.8 The Architect shall have the right to include photographic or artistic representations of the design of the Project among the Architect's promotional and professional materials. The Architect shall be given reasonable access to the completed Project to make such representations. However, the Architect's materials shall not include the Owner's confidential or proprietary information. The Owner shall provide professional credit for the Architect in the Owner's promotional materials for the Project. This Section 7.8 shall survive the termination of this Agreement unless the Owner terminates this Agreement for cause pursuant to Section 5.4.

§ 7.9 If the Architect or Owner receives information specifically designated as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except as set forth in Section 7.9.1. This Section 7.9 shall survive the termination of this Agreement.

§ 7.9.1 The receiving party may disclose "confidential" or "business proprietary" information to its employees, consultants, or contractors in order to perform services or work solely and exclusively for the Project, provided those employees, consultants and contractors are subject to the restrictions on the disclosure and use of such information as set forth in this Section 7.9.

§ 7.10 The invalidity of any provision of the Agreement shall not invalidate the Agreement or its remaining provisions. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

§ 7.11 The Owner is the State of Rhode Island, acting by and through its Department of Administration Division of Purchases, and therefore, pursuant to the provisions of R.I. Gen. Laws § 34-28-31, liens against the Project are not enforceable.
