Title: STATEWIDE COURIER SERVICE – RIDOH LABORATORY Submission Deadline: November 25, 2019 at 11:30 Eastern Time (ET)

QUESTIONS concerning this solicitation must be received by the Division of Purchases at Anthony.Venditelli@purchasing.ri.gov no later than November 5, 2019 at 11:30 AM Eastern Time (ET). Questions should be submitted in a Microsoft Word attachment. Please reference the RFQ #7599822 on all correspondence. Questions received, if any, will be posted on the Division of Purchases' website as an addendum to this solicitation. It is the responsibility of all interested parties to download this information.

NOTE TO VENDORS: Applicants must register online at the Rhode Island Division of Purchases website at www.ridop.ri.gov. Proposals received without the completed RIVIP Bidder Certification Cover Form attached, may result in disqualification.

SCOPE OF WORK AND REQUIREMENTS:

State wide courier service is utilized to pick-up and deliver clinical specimens to the RI State Health Laboratories (RISHL), located at 50 Orms St., Providence, Rhode Island 02904. The courier will be required to adhere to all current local and federal shipping regulations.

To reduce the risk of receiving specimens that are unacceptable for testing, specimens must be transported in insulated containers (e.g coolers) with an operable thermometer to record the temperature within the container.

Specimen temperature during transport must not exceed 80°F or drop below 60°F (16° - 27°C). To help maintain cooler temperature, ice packs enclosed within a Ziploc bag may be utilized. Blocks of ice or ice cubes are not acceptable as these will melt and compromise specimen integrity.

Once specimens arrive at RISHL, the courier will be required to sign the Courier Log with time of delivery, temperature of cooler, and initials.

The courier service will need to return the containers from RISHL to the individual pick-up sites within a reasonable time period for re-use. RISHL may also schedule delivery of supplies to sites on an as needed basis.

RISHL may adjust the courier schedule during the contract period, including the addition and/or deletion of pick-up sites. If needed, RISHL may alter pick-up/delivery times to accommodate specific testing requirements, particularly during the holiday season.

On occasion, RISHL may request a pick-up from a client in an emergency/stat capacity or RISHL may request a pick-up to be delivered to a client in an emergency/stat capacity. Since this is a time sensitive situation, courier must be able to fulfill this request as quickly as possible.

Influenza sentinel testing sites will vary according to season and the anticipated scope of an outbreak. The courier will pick-up containers/supplies from RISHL and deliver to the sentinel testing sites (list to be provided). When specimen collection is completed, RISHL will notify courier and request pick-up from the site. The RISHL will also schedule pick-up of containers/supplies to be returned to sentinel site.

Existing courier service pick-up/delivery sites/days are identified on the attached schedule provided by the RISHL (see attached). If needed, the courier in consultation with the RISHL may be able to alter existing pick-up schedule. However, specimens must be received at the RISHL no later than 2:30 PM on the day retrieved.

Proposed vendor rate should be per pick-up/delivery (i.e. run) to the RISHL. It is estimated that there may be up to 7,000 runs per year dependent on courier scheduling.

The selected vendor shall insure training of courier personnel on topics, including but not limited to, universal precautions, blood borne pathogens and HIPAA. The vendor shall also provide documentation of such training to the RISHL upon request.

NOTE: In accordance with the Rhode Island Department of Health (RIDOH) Confidentiality Policy and the R.I.G.L 38-1, the RISHL recognizes an individual's right to privacy and to the confidentiality of personal identifiable information. All persons (including vendors, contractors, temporary staff, etc.) who have access to RISHL records, whether printed, electronic or other, have a legal obligation to keep confidential all information not deemed to be public. The vendor agrees to abide by this policy set forth by RIDOH.
