ADDENDUM NUMBER ONE
RFQ # 7601779
TITLE: GOLF CAR LEASE FOR GODDARD PARK

Closing Date and Time: 2/25/2020 AT 10:00AM

Per the issuance of this ADDENDUM #1 (1 page) the following is noted:

This addendum answers questions sent in on line and accepted until 2/14/2020 at 5pm.

Section 1. Introduction

Is the initial contract for one year?

Yes, it's for one year, since this is our first year taking on golf car rentals. If we decided to continue leasing, we would probably seek a five-year lease.

Section 3: Scope of Work and Requirements (Specific Activities / Tasks)

Will there be a FMV lease agreement in place or simply renting the golf car fleet from April 1, 2020 to November 30, 2020?

If I understand the question correctly, it is more like a simple rental in that we are not expecting to accrue value toward an eventual purchase – we are seeking a lease that allows us to have an operational fleet of 20 cars between April and November.

Is it mandatory for the golf cars to be new?

It is not mandatory that the golf cars be new. In fact, we anticipate that they will be used but in good condition, as one typically only gets new cars with a five-year lease.

Is the maintenance of the cars throughout period of lease billable?

We want the maintenance to be included in the price, for budgeting purposes. It's important to us that we understand the full cost of the golf car lease and that we have a full fleet of cars available and in good condition throughout the season.
