**Vendors please note the following clarifications:**

A COVID-related assignment is an assignment identified by the user agency to be in response to or in support of the response to the COVID-19 pandemic. Specific scopes of work may vary based upon the assignment and specific agency needs. The vendor shall not be automatically entitled to the additional percentage above rates bid, the assignment must be designated by the user agency as being COVID-related in advance. Likewise, not all assignments during the COVID-19 pandemic are subject to this additional cost; the assignment must be related to the response to COVID-19.

There is no definite listing of COVID-related assignments or sites; this will be identified and applied at the sole discretion of the user agency.
