ADDENDUM # 1

RFQ# 7602777

BID TITLE: Maintenance of State-Owned Fish and Wildlife Boats - DEM

Vendor Question and Answers.

Question 1.

Vendor: RFQ for Maintenance of State-Owned Fish & Wildlife Boats. With the exception of Bottom Painting a 23 Parker, I see no details of boats or engines that are subject to this request. Winterizing outboards are priced differently depending on the size and type. We can provide general numbers such as hourly rates and flat rates. Perhaps I'm missing the reference to "per attached specifications".

Answer: See page one under Division Vessels on the bid specification form for this information.
