ADDENDUM #1

RFQ #7603804

TITLE: FY20 CONSTRUCTION OF PREFABRICATED STEEL
STORAGE BUILDING

SUBMISSION DEADLINE: 6/01/2020 at 1:00pm

Question: Specification booklet includes Section 329000 Planting. Is this to be included in our bid. Nothing shown on drawings. Please advise.

Answer: Planting requirements are related to the grass swale at the rear of the parcel, and any other grassy areas onsite which are disturbed by construction activities

Question: Specification booklet includes Section 062010 Carpentry and Millwork. Is this to be included in our bid. Nothing shown on drawings. Please advise.

Answer: Carpentry and Millwork, if for trim replacement and roof work on service shop building.

Question: Section 011100 Summary of Work – Para. 1.02.A states to include the demolition of two (2) buildings at the site. Drawing C1.2 show only one (1) building to be demolished. The other building on site is to remain and our work is shown on C1.2, C1.3 and A1.0. Please advise.

Answer: The second building is a small wood shed (298 SF+/-) along the property line behind the service shop building. Please see 5th note on left side of plan C1.2; the shed is obscured by tree canopy in the image.
