SECTION 1. INTRODUCTION

The Rhode Island Department of Administration/Division of Purchases, on behalf of the Rhode Island Department of Education – Davies Career & Technical High School (“DAVIES”), is soliciting proposals from qualified firms to provide and locate a preschool center on-site at Davies, 50 Jenckes Hill Road, Lincoln, RI, for purposes of a partnership arrangement that provides training to Davies’ students in the Education career pathway. Entities that are currently licensed by the Rhode Island Department of Health as preschool providers that can demonstrate successful operation of preschool programs are encouraged to respond to this solicitation in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at www.ridop.ri.gov.

The initial contract period will begin approximately July 1, 2020 for one year. Contracts may be renewed for up to four additional 12-month periods based on Davies’ assessment of attainment of training partnership goals that must be met for the benefit of Davies students enrolled in the Education Program. The ultimate goal of the partnership between the preschool operation and Davies is the preschool’s providing of student training opportunity that satisfies RI Department of Education’s Education/Child Care (CTE Board of Trustees’) program standards. The measure of standard is the students’ opportunity for completion of the requisites for an approved Parapro training program and preparation for the credentials to take the RI Parapro Assessment for certification purposes to become a Teacher Assistant.

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

Instructions and Notifications to Offerors

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.

4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is clearly indicated in the vendor's proposal and the subcontractor(s) to be used is identified in the proposal.
6. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

7. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
8. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an "Affirmative Action Policy Statement."

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written “Affirmative Action Plan” prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the “Contract Compliance Report” (<http://odeo.ri.gov/documents/odeo-eeo-contract-compliance-report.pdf>), as well as the “Certificate of Compliance” (<http://odeo.ri.gov/documents/odeo-eeo-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For public works projects vendors and all subcontractors must submit a “Monthly Utilization Report” (<http://odeo.ri.gov/documents/monthly-employment-utilization-report-form.xlsx>) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact Vilma Peguero at the Rhode Island Equal Employment Opportunity Office, at 222-3090 or via e-mail at ODEO.EOO@doa.ri.gov.

9. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).
10. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. SECTION 2. BACKGROUND

Davies Career & Technical High School is a State of Rhode Island owned and operated comprehensive high school that delivers both academic and technical instruction for students in grades 9-12. Davies is established by RI General Laws as a local education authority.

SECTION 3: SCOPE OF WORK AND REQUIREMENTS

General Scope of Work

The outline of services covered by this solicitation include, but are not limited to:

- 1) Provide an on-site partnership training opportunity with Davies so that a new CTE program offering in Education can be established on-site at Davies School.
- 2) Possess current licensure as a Preschool provider, as well as obtaining RI Department of Health licensure specifically so as to specifically allow the successful respondent to establish a Preschool site at Davies School, 50 Jenckes Hill Road, Lincoln, RI. *Davies is desirous of a Preschool program only to be located on site (not infants and toddlers' programs).*
- 3) Allow Davies' students that are enrolled in the Education program to gain credited training hours via participating in the Preschool setting as part of an 80-hours requirement for work-based learning.
- 4) Provide expertise and assistance to Davies with regard to the creation of the instructional and outdoor play areas for the Preschool program, to be located at Davies site, that conforms to all RI Department of Health Regulations.
- 5) Participate as a member of the program's Advisory Board that advises the Davies School instructional staff in curriculum, industry requirements, and post-secondary pathways.
- 5) Operate and manage every aspect of the on-site preschool program, including provision of snacks and meals, billing and collection of enrollment fees charged to all

preschool participants, and hire all necessary staff (who are to be employees of the successful respondent, and not of Davies School)

6) Operate additional off-site preschool locations in which Davies students can be afforded work-based learning opportunities. See Section 4 Proposal below.

SECTION 4: PROPOSAL

A. Technical Proposal

Narrative and format: The proposal should address specifically each of the following elements:

Capability, Capacity, and Qualifications of the Offeror – As part of this solicitation, a detailed description of the Entity’s experience and ability to operate a licensed preschool site must be provided.

All respondents must submit a detailed written proposal that specifically outlines a plan as to how the preschool program would function on the Davies site, while integrating the Davies students for purposes of their work-based learning. Additionally, the successful respondent must operate additional locations within a ten-mile radius of Davies School that will also be allowed to serve as work-based learning sites for Davies students. Proposals must detail all additional sites that are operated by their organization and the ability to make such opportunities available for the students. The plan must outline and commit to providing the opportunity for attainment of the minimum requisite of 80 work-based learning hours for all students in the program.

Successful respondent will be required to enter into a work-based learning agreement with Davies and its students. The agreement will include in part a requirement for the completion of an employer evaluation of each student that is taking part in the program.

Staff Qualifications – The entity selected as a result of this request must provide professional certified staff on-site that will operate and oversee the preschool program. All staff will be employees of the successful respondent and not employees of Davies School.

Additionally, successful respondents must be able to provide evidence of liability insurance naming Davies Career & Technical High School as an additional insured under the policy. Said insurance must be no less than one million dollars (\$1,000,000.00) per occurrence in Liability, Workers Compensation, Automobile and Working with Children.

B. Cost Proposal

In this particular solicitation, a cost proposal is **not applicable**. It is the intent that any cost that otherwise may be paid by Davies School for training services is offset by the partnership opportunity being afforded to a licensed preschool program provider to have an additional location from which to provide preschool services to local families. However, proposals can include an offer for in-kind donations, program equipment, supplies, etc. which will be considered during the evaluation process.

The successful partner/entity will be selected based on their specific proposal whose aspects best incorporates and provides Davies' students the most robust education pathway training and work-based learning opportunity.

C. ISBE Proposal

See Appendix A for information and the MBE, WBE, and/or Disability Business Enterprise Participation Plan form(s). Bidders are required to complete, sign and submit these forms with their overall proposal in a sealed envelope. Please complete separate forms for each MBE, WBE and/or Disability Business Enterprise subcontractor/supplier to be utilized on the solicitation.

SECTION 5: EVALUATION AND SELECTION

Proposals shall be reviewed by a technical evaluation committee ("TEC") comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 85 (i.e.85.00%) out of a maximum of 100 points to advance to the ISBE participation phase. Any technical proposals scoring less than 85 points shall not have the accompanying ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Technical proposals scoring 85 points or higher will have the ISBE proposals evaluated and assigned up to a maximum of 6 bonus points bringing the total potential evaluation score to 106 points.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) ("vendor") that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

Criteria	Possible Points
<p>Capability, Capacity, and Qualifications of the Offeror to demonstrate the capacity and willingness to enter into a formal partnership training program (as part of operating a preschool program) that serves to collaboratively enhance curriculum and provide the work-based learning environment in which Davies’ students can obtain training hours. This requirement is to be demonstrated by the depth and breadth of the Proposal submitted in response to this RFP, further demonstrated by currently operating licensed preschool age programs with more than 40 currently enrolled students. A highest level of consideration will be given to the Offeror whose proposal includes the assistance and expertise that can be provided to Davies with regard to on-site space alterations, program design and instructional materials, supplies and equipment needs of the program. Additional consideration will be given to any in-kind donations, supplies, equipment, etc. that the respondent may offer as part of the Proposal.</p>	25 Points
<p>Capability, Capacity, and Qualifications of the Offeror to fully independently operate <i>all</i> aspects of an on-site preschool program at Davies. This requirement includes provision of all snacks and meals, transportation of preschool participants (if applicable), as well as business aspects that may include billing and collections of program fees from families of all participants</p>	25 Points
<p>Capability, Capacity, and Qualifications of the Offeror to host Davies’ students off site during the initial year of the program (school year 2020-2021), at a currently operating preschool program of the Offeror for career exploration purposes until the physical space at Davies School is approved and licensed by the RI Department of Health as a preschool site. The licensure process and license holder for purposes of operating a preschool program at Davies is the responsibility of the Offeror. Furthermore, a key determinant of points in this category will be the commitment that additional sites being operated by the respondent are also available for work-based learning locations for Davies students.</p>	25 Points
<p>Staff Qualifications to employ and provide staffing that will allow for the operation of an on-site preschool program at Davies School. All staff that will be located on site at Davies must undergo a State and Federal BCI background check.</p>	25 Points

Total Possible Technical Points	100 Points
Cost proposal*	N/A Points
Total Possible Evaluation Points	100 Points
ISBE Participation**	6 Bonus Points
Total Possible Points	106 Points

***Cost Proposal Evaluation:**

In this particular solicitation, a cost proposal is **not applicable**. It is the intent that any cost that otherwise may be paid by Davies School for training services is offset by the partnership opportunity being afforded to a licensed preschool program provider to have an additional location from which to provide preschool services to local families.

****ISBE Participation Evaluation:**

a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor’s total contract price that will be subcontracted to ISBEs by the non-ISBE vendor’s total contract price. For example, if the non-ISBE’s total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE’s ISBE participation rate would be 12%.
2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor’s total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor’s total contract price. For example, if the ISBE vendor’s total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor’s ISBE participation rate would be 20%.

b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$\begin{aligned}
 & (\text{Vendor’s ISBE participation rate} \div \text{Highest ISBE participation rate} \\
 & \quad \times \text{Maximum ISBE participation points})
 \end{aligned}$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

General Evaluation:

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.
