SECTION 1. INTRODUCTION

The Rhode Island Department of Administration/Division of Purchases, on behalf of the Rhode Island Department of Health (“RIDOH”), is soliciting proposals from qualified firms to provide Occupational Health Services, to include Clinical and Preventive Health Services for employees of the RI Department of Health, in accordance with the terms of this Request for Proposals (“RFP”) and the State’s General Conditions of Purchase, which may be obtained at the Division of Purchases’ website at www.purchasing.ri.gov.

The initial contract period will begin approximately August 3, 2020 for one year. Contracts may be renewed for up to four additional 12-month periods based on vendor performance and the availability of funds.

This is a Request for Proposals, not a Request for Quotes. Responses will be evaluated on the basis of the relative merits of the proposal, in addition to cost; there will be no public opening and reading of responses received by the Division of Purchases pursuant to this solicitation, other than to name those offerors who have submitted proposals.

Instructions and Notifications to Offerors

1. Potential vendors are advised to review all sections of this RFP carefully and to follow instructions completely, as failure to make a complete submission as described elsewhere herein may result in rejection of the proposal.
2. Alternative approaches and/or methodologies to accomplish the desired or intended results of this RFP are solicited. However, proposals which depart from or materially alter the terms, requirements, or scope of work defined by this RFP may be rejected as being non-responsive.
3. All costs associated with developing or submitting a proposal in response to this RFP or for providing oral or written clarification of its content, shall be borne by the vendor. The State assumes no responsibility for these costs even if the RFP is cancelled or continued.
4. Proposals are considered to be irrevocable for a period of not less than 180 days following the opening date, and may not be withdrawn, except with the express written permission of the State Purchasing Agent.
5. All pricing submitted will be considered to be firm and fixed unless otherwise indicated in the proposal.
6. It is intended that an award pursuant to this RFP will be made to a prime vendor, or prime vendors in the various categories, who will assume responsibility for all aspects of the work. Subcontracts are permitted, provided that their use is clearly indicated in the vendor’s proposal and the subcontractor(s) to be used is identified in the proposal.
7. The purchase of goods and/or services under an award made pursuant to this RFP will be contingent on the availability of appropriated funds.

8. Vendors are advised that all materials submitted to the Division of Purchases for consideration in response to this RFP may be considered to be public records as defined in R. I. Gen. Laws § 38-2-1, *et seq.* and may be released for inspection upon request once an award has been made.

Any information submitted in response to this RFP that a vendor believes are trade secrets or commercial or financial information which is of a privileged or confidential nature should be clearly marked as such. The vendor should provide a brief explanation as to why each portion of information that is marked should be withheld from public disclosure. Vendors are advised that the Division of Purchases may release records marked confidential by a vendor upon a public records request if the State determines the marked information does not fall within the category of trade secrets or commercial or financial information which is of a privileged or confidential nature.

9. Interested parties are instructed to peruse the Division of Purchases website on a regular basis, as additional information relating to this solicitation may be released in the form of an addendum to this RFP.
10. By submission of proposals in response to this RFP vendors agree to comply with R. I. General Laws § 28-5.1-10 which mandates that contractors/subcontractors doing business with the State of Rhode Island exercise the same commitment to equal opportunity as prevails under Federal contracts controlled by Federal Executive Orders 11246, 11625 and 11375.

Vendors are required to ensure that they, and any subcontractors awarded a subcontract under this RFP, undertake or continue programs to ensure that minority group members, women, and persons with disabilities are afforded equal employment opportunities without discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability.

Vendors and subcontractors who do more than \$10,000 in government business in one year are prohibited from engaging in employment discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, national origin, or disability, and are required to submit an “Affirmative Action Policy Statement.”

Vendors with 50 or more employees and \$50,000 or more in government contracts must prepare a written “Affirmative Action Plan” prior to issuance of a purchase order.

- a. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation.
- b. Vendors further agree, where applicable, to complete the “Contract Compliance Report” (<http://odeo.ri.gov/documents/odeo-eeo-contract-compliance-report.pdf>), as well as the “Certificate of Compliance” (<http://odeo.ri.gov/documents/odeo-eeo-certificate-of-compliance.pdf>), and submit both documents, along with their Affirmative Action Plan or an Affirmative Action Policy Statement, prior to issuance of a purchase order. For public works projects vendors and all subcontractors must submit a “Monthly Utilization Report” (<http://odeo.ri.gov/documents/monthly-employment->

[utilization-report-form.xlsx](#)) to the ODEO/State Equal Opportunity Office, which identifies the workforce actually utilized on the project.

For further information, contact Vilma Peguero at the Rhode Island Equal Employment Opportunity Office, at 222-3090 or via e-mail at ODEO.EOO@doa.ri.gov.

11. In accordance with R. I. Gen. Laws § 7-1.2-1401 no foreign corporation has the right to transact business in Rhode Island until it has procured a certificate of authority so to do from the Secretary of State. This is a requirement only of the successful vendor(s). For further information, contact the Secretary of State at (401-222-3040).
12. In accordance with R. I. Gen. Laws §§ 37-14.1-1 and 37-2.2-1 it is the policy of the State to support the fullest possible participation of firms owned and controlled by minorities (MBEs) and women (WBEs) and to support the fullest possible participation of small disadvantaged businesses owned and controlled by persons with disabilities (Disability Business Enterprises a/k/a “DisBE”)(collectively, MBEs, WBEs, and DisBEs are referred to herein as ISBEs) in the performance of State procurements and projects. As part of the evaluation process, vendors will be scored and receive points based upon their proposed ISBE utilization rate in accordance with 150-RICR-90-10-1, “Regulations Governing Participation by Small Business Enterprises in State Purchases of Goods and Services and Public Works Projects”. As a condition of contract award vendors shall agree to meet or exceed their proposed ISBE utilization rate and that the rate shall apply to the total contract price, inclusive of all modifications and amendments. Vendors shall submit their ISBE participation rate on the enclosed form entitled “MBE, WBE and/or DisBE Plan Form”, which shall be submitted in a separate, sealed envelope as part of the proposal. ISBE participation credit will only be granted for ISBEs that are duly certified as MBEs or WBEs by the State of Rhode Island, Department of Administration, Office of Diversity, Equity and Opportunity or firms certified as DisBEs by the Governor’s Commission on Disabilities. The current directory of firms certified as MBEs or WBEs may be accessed at <http://odeo.ri.gov/offices/mbeco/mbe-wbe.php>. Information regarding DisBEs may be accessed at www.gcd.ri.gov.

For further information, visit the Office of Diversity, Equity & Opportunity’s website, at <http://odeo.ri.gov/> and *see* R.I. Gen. Laws Ch. 37-14.1, R.I. Gen. Laws Ch. 37-2.2, and 150-RICR-90-10-1. The Office of Diversity, Equity & Opportunity may be contacted at, (401) 574-8670 or via email Dorinda.Keene@doa.ri.gov

13. HIPAA - Under HIPAA, a “business associate” is a person or entity, other than a member of the workforce of a HIPAA covered entity, who performs functions or activities on behalf of, or provides certain services to, a HIPAA covered entity that involves access by the business associate to HIPAA protected health information. A “business associate” also is a subcontractor that creates, receives, maintains, or transmits HIPAA protected health information on behalf of another business associate. The HIPAA rules generally require that HIPAA covered entities and business associates enter into contracts with their business associates to ensure that the business associates will appropriately safeguard HIPAA protected health information. Therefore, if a Contractor qualifies as a business associate, it will be required to sign a HIPAA business associate agreement

14. Eligible Entity - In order to perform the contemplated services related to the Rhode Island Health Benefits Exchange (HealthSource RI), the vendor hereby certifies that it is an “eligible entity,” as defined by 45 C.F.R. § 155.110, in order to carry out one or more of the responsibilities of a health insurance exchange. The vendor agrees to indemnify and hold the State of Rhode Island harmless for all expenses that are deemed to be unallowable by the Federal government because it is determined that the vendor is not an “eligible entity,” as defined by 45 C.F.R. § 155.110.

SECTION 5: EVALUATION AND SELECTION

Proposals shall be reviewed by a technical evaluation committee (“TEC”) comprised of staff from State agencies. The TEC first shall consider technical proposals.

Technical proposals must receive a minimum of 50 (71.43%) out of a maximum of 70 points to advance to the cost evaluation phase. Any technical proposals scoring less than 50 points shall not have the accompanying cost or ISBE participation proposals opened and evaluated. The proposal will be dropped from further consideration.

Technical proposals scoring 50 points or higher will have the cost proposals evaluated and assigned up to a maximum of 30 points in cost category bringing the total potential evaluation score to 100 points. After total possible evaluation points are determined ISBE proposals shall be evaluated and assigned up to 6 bonus points for ISBE participation.

The Division of Purchases reserves the right to select the vendor(s) or firm(s) (“vendor”) that it deems to be most qualified to provide the goods and/or services as specified herein; and, conversely, reserves the right to cancel the solicitation in its entirety in its sole discretion.

Proposals shall be reviewed and scored based upon the following criteria:

Criteria	Possible Points
Staff Qualifications	20 Points
Comprehensive Listing of Similar Projects Undertaken	30 Points
Approach & Quality of the Work Plan	20 Points
Total Possible Technical Points	70 Points
Cost proposal*	30 Points
Total Possible Evaluation Points	100 Points
ISBE Participation**	6 Bonus Points

Total Possible Points	106 Points
------------------------------	-------------------

***Cost Proposal Evaluation:**

The vendor with the lowest cost proposal shall receive one hundred percent (100%) of the available points for cost. All other vendors shall be awarded cost points based upon the following formula:

$$(\text{lowest cost proposal} / \text{vendor's cost proposal}) \times \text{available points}$$

For example: If the vendor with the lowest cost proposal (Vendor A) bids \$65,000 and Vendor B bids \$100,000 for monthly costs and service fees and the total points available are thirty (30), Vendor B's cost points are calculated as follows:

$$\$65,000 / \$100,000 \times 30 = 19.5$$

****ISBE Participation Evaluation:**

a. Calculation of ISBE Participation Rate

1. ISBE Participation Rate for Non-ISBE Vendors. The ISBE participation rate for non-ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of non-ISBE vendor's total contract price that will be subcontracted to ISBEs by the non-ISBE vendor's total contract price. For example if the non-ISBE's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs, the non-ISBE's ISBE participation rate would be 12%.
2. ISBE Participation Rate for ISBE Vendors. The ISBE participation rate for ISBE vendors shall be expressed as a percentage and shall be calculated by dividing the amount of the ISBE vendor's total contract price that will be subcontracted to ISBEs and the amount that will be self-performed by the ISBE vendor by the ISBE vendor's total contract price. For example if the ISBE vendor's total contract price is \$100,000.00 and it subcontracts a total of \$12,000.00 to ISBEs and will perform a total of \$8,000.00 of the work itself, the ISBE vendor's ISBE participation rate would be 20%.

b. Points for ISBE Participation Rate:

The vendor with the highest ISBE participation rate shall receive the maximum ISBE participation points. All other vendors shall receive ISBE participation points by applying the following formula:

$$(\text{Vendor's ISBE participation rate} \div \text{Highest ISBE participation rate}$$

$$\times \text{Maximum ISBE participation points})$$

For example, assuming the weight given by the RFP to ISBE participation is 6 points, if Vendor A has the highest ISBE participation rate at 20% and Vendor B's ISBE participation rate is 12%, Vendor A will receive the maximum 6 points and Vendor B will receive $(12\% \div 20\%) \times 6$ which equals 3.6 points.

General Evaluation:

Points shall be assigned based on the vendor's clear demonstration of the ability to provide the requested goods and/or services. Vendors may be required to submit additional written information or be asked to make an oral presentation before the TEC to clarify statements made in the proposal.

Schedule A2 – Professional Services

Definitions

“Professional Services:” *A type of liability insurance designed to protect traditional professionals (e.g., accountants, attorneys) and quasi-professionals (e.g., real estate brokers, consultants) against liability incurred as a result of errors and omissions made in performing their professional services to State. Although there are a few exceptions (e.g., physicians, architects, and engineers), most professional liability policies only cover economic or financial losses suffered by State as opposed to bodily injury (BI) and property damage (PD) claims. This is because the latter two types of loss are typically covered under commercial general liability (CGL) policies. The vast majority of professional liability policies are written with claims-made coverage triggers. In addition, professional liability policies contain what are known as “shrinking limits,” meaning that unlike CGL policies (where defense costs are paid in addition to policy limits), the insurer’s payment of defense costs reduces available policy limits. Accordingly, when attempting to determine appropriate policy limits, insureds [State] must consider the fact that because defense costs are often a high proportion of any claim settlement or judgment, they must usually purchase additional limits. The most common exclusions in professional liability policy forms are for BI, PD, and intentional/dishonest acts.²*

“State:” *The State of Rhode Island and its branches, departments, agencies, offices, commissions, any using entity authorized by R.I. Gen. Laws § 37-2-1, et seq., to participate in a procurement or solicitation and any other party directed by the State and the officers, directors, officials, agents, employees, independent contractors and volunteers of any of them.*

“Contract Party:” *Any person, organization or entity that is a Contract Party with State in which the Contract Party (i.e., vendor) provides services or products to State.” Contract Party shall also include as insured persons Contract Party’s officers, directors, officials, agents, employees, subcontractors, independent contractors, volunteers and any other entity or person for which the Contract Party is legally responsible. For purposes of this document “Contract Party” does not include any branches, departments, agencies, offices, or commissions of the State that may contract with any other State departments, agencies, offices, commissions.*

- a. At the sole cost and expense of Contract Party.
- b.
