ADDENDUM #3
(10 PAGES TOTAL)

RFQ #7605775 TITLE: REPAIRS OF VARIOUS DOCKS AT THE PORT OF GALILEE
SUBMISSION DEADLINE: 7/3/2020 AT 10:30AM (NOTE CHANGE)

This addendum changes bid closing date and time from 6/30/2020 at 10am to 7/3/2020 at 10:30am.

This addendum posts sign in sheet from second mandatory pre-bid conference.

This addendum posts a revised bid form dated 6/25/2020.

This addendum posts notes/clarifications from pre-bid conference.

This addendum answers questions sent in on-line.

This addendum posts instructions on accessing the bid opening through the ZOOM app.

Notes/clarifications from pre-bid:

It will be imperative that the awarded vendor communicate with the agency all work schedules.

Shop drawings will need to be approved by DEM.

Answers to questions sent in on-line:

1. When can the low-bid contractor assume receiving Notice To Proceed
A. Bid closes on 7/3/2020. Tentative letter of award probably sent sometime the week of 7/6/2020 at which point the vendor will be given 21 days to send in all documentation required. Notice to Proceed will be dependent on promptness of vendor response to award letter, MBE approval and completion of agreement between vendor and DEM.

2. Please confirm no driving shoes are required for the Greenheart dolphin piles or SYP dock piles
A. No driving shoes are required

3. Please confirm no turbidity curtain is required for any activity
A. No turbidity curtain is required

4. At Docks TT & UU, please confirm who is responsible for de-energizing the dock electrical system to allow the contractor to safely remove & re-install the power pedestals when replacing the main pier decking at each dock.

A. Owner shall be responsible for de-energizing the dock electrical system.

5. At Docks TT & UU, please confirm if the contractor will have unobstructed access to complete the decking removal & reinstallation. Please confirm how much access is required to be maintained down the center pier – i.e. does decking removed have to be reinstalled that same day

A. DEM will make every effort to provide contractor with unobstructed access to the Work. All decking removed must be replaced with new decking the same day.

6. Please confirm the extent of the floating dock sections at Dock SS that are to be salvaged, including the quantity of salvaged dock sections; what state the salvaged dock sections are to be given to the owner, and where the owner is to take possession of the salvaged dock sections.

A. 6 complete floats to be retained for owner. Floats should be delivered to the RIDEM Coastal office parking lot.

7. Please confirm the details of the cleats require for the new dock SS system – size, finish, quantity, and method of attachment to the dock structure

A. Furnish and install six (6) twelve inch (12") galvanized cleats with internal angle brackets and galvanized bolts and nuts on each finger pier section, three (3) on each side equally spaced, for a total of thirty-six (36) for the finger piers. Furnish and install eight (8) twelve inch (12") galvanized cleats with internal angle brackets and galvanized bolts and nuts on each main pier section, four (4) on each side equally spaced, for a total of forty-eight (48) for the main piers.

8. Please confirm the water spigot detailing of the new dock is to match the existing dock, with a 4x4 post, PEX tubing up the back of the post, and spigot through the 4x4. Please confirm the number of spigots required.

A. All spigots shall be replaced in kind and quantity.

9. Please confirm the sizing of the gangway rub pad required to protect the surface of the new dock section from the gangway coming from the fixed portion of dock SS

A. Rub pad shall be 6' x 4'.

10. Please confirm the dolphin pile-to-pile bolting scheme, as the verbiage of "use (10) 30" x 1" bolts (2 per pile)" is not adding up with the 4 batter piles & 1 king pile.

A. Bolting scheme is correct as shown. Two (2) bolts per pile, five (5) piles equals ten (10) bolts total

11. Please confirm if any on-site secure area will be made available for contractor to store materials (decking boards, piles, new dock sections)

A. Owner shall work with the contractor to determine a secure area for material storage.

12. One of our float suppliers indicated that they cannot provide 1.5 CCA treatments on 1x6 decking. What would be acceptable – 5/4x6 lpe, ACQ, other?

A. ACQ is acceptable

13. How many floats does the Owner want returned and where are they to be delivered?

A. 6 complete floats to be retained for owner. Floats should be delivered to the RIDEM Coastal office parking lot.

14. AWPA (American Woodworkers Preservative Association) prohibits the use of CCA treated lumber on decking. Can we supply the dock with 0.31 mCA or use a 5/4 x 6 tropical hardwood?

A. ACQ is acceptable.

15. Please confirm the number of pile guides on the system.

A. There are seven (7) hoop and roller pile guides.

16. What is the design deadload freeboard?

A. A freeboard of no less than 18" should be used in design of floats.

17. Since public opening will not occur, can the bid opening time be changed to 2 pm? Allowing contractors to Fed-Ex bids.

A. FEDEX delivers regularly to this building in the morning. It is the vendor's responsibility to make sure the bid arrives in time. Late bids are not accepted.

18. Is a building permit required? Are fees waived if yes?

A. Building permit is not required

19. Removal of the float pontoons, hardware and pile hoops were discussed for reuse by the owner. Can a quantity of items wanted for reuse be provided for bidding purposes?

A. 6 complete floats to be retained for owner. Floats should be delivered to the RIDEM Coastal office parking lot.

20. Please provide current Rhode Island prevailing wages. The link provided did not allow for viewing of the state prevailing wages.

A. This is the link to the Department of Labor and Training's website.

21. Will a pile driving barge of 35' x 120' size be allowed during boating season for removal and redriving of the piles in the work areas of SS / TT/ SS?

A. There is no piling work called out on SS dock. However, a 120' barge can work adjacent to UU, TT docks for fender piling driving and adjacent to G & H docks for dolphin cluster driving.

22. Can 6" screws be used in lieu of 6" spiral galvanized nails? No, 6" galvanized nails are to be used.

A. No

23. Are any of the dolphin piles also connected to the piers at G and H?

A. No

BID OPENING ADDENDUM -COVID-19 EMERGENCY PROTOCOL

Vendors and the public are advised that due to Covid-19 emergency social distancing requirements bid openings at the Division of Purchases shall be conducted via live streaming on the ZOOM . Vendors and the public shall not be permitted to enter the Division of Purchases to attend bid openings. Vendors and the public who attend bid openings via live streaming shall be required to identify themselves and a record of all such attendees shall be maintained by the Division of Purchases. Vendor bid proposals shall be opened and read aloud at the date and time listed herein. The results of bid solicitations requiring a public copy for public works projects shall be posted on the Division of Purchases website as soon as possible after the bid opening. For RFP solicitations only vendor names shall be read aloud at the opening.

Vendors and the public are further advised that visitor access to the Powers Building at One Capitol Hill, Providence, RI requires pre-screening at the entrance to the building. In accordance with the Governor's Executive Order(s) and Department of Health emergency regulations all visitors to the Powers Building must wear a cloth mask which covers the nose and mouth. Vendors delivering bid proposals to the Division of Purchases should allow sufficient time for the pre-screening process. The Division of Purchases assumes no responsibility for delays caused by the screening process or any other reason. Vendors are solely responsible for on time delivery of bid proposals. The Division of Purchases shall not accept late bids for any reason.

Division of Purchases is inviting you to a scheduled Zoom meeting.

\$ _____
(base bid price *in figures* printed electronically, typed, or handwritten legibly in ink)

(base bid price *in words* printed electronically, typed, or handwritten legibly in ink)

• **Allowances**

NONE

• **Bonds**

The Base Bid Price ***includes*** the costs for all Bid and Payment and Performance Bonds required by the solicitation.

Solicitation #: 7605775

Solicitation Title: Repairs of Various Docks at Port of Galilee

- **Addenda**

The Bidder has examined the entire solicitation (including the following Addenda), and the Base Bid Price ***includes*** the costs of any modifications required by the Addenda.

All Addenda must be acknowledged.

Addendum No. 1 dated: _____

Addendum No. 2 dated: _____

Addendum No. 3 dated: _____

2. **ALTERNATES** (*Additions/Subtractions to Base Bid Price*)

The Bidder offers to: (i) perform the work described in these Alternates as selected by the State in the order of priority specified below, based on the availability of funds and the best interest of the State; and (ii) increase or reduce the Base Bid Price by the amount set forth below for each Alternate selected.

Check "Add" or "Subtract."

___ Add ___ Subtract ___ No Alternates

BID ALTERNATE 1: Provide one (1) continuous center floating dock on Dock SS instead of six (6) separate center floating dock segments.

\$

(price in figures printed electronically, typed, or handwritten legibly in ink)

(price in words printed electronically, typed, or handwritten legibly in ink)

3. **UNIT PRICES**

The Bidder submits these predetermined Unit Prices as the basis for any change orders approved in advance by the State. These Unit Prices include ***all*** costs, including labor, materials, services, regulatory compliance, overhead, and profit.

NONE

Solicitation #: 7605775

Solicitation Title: Repairs of Various Docks at Port of Galilee

4. CONTRACT TIME

The Bidder offers to perform the work in accordance with the timeline specified below:

- Start of construction: Date of issuance of Notice to Proceed
- Substantial completion: Within one hundred eighty (180) days of issuance of Notice to Proceed
- Final completion: Within thirty (30) calendar days of substantial completion.

5. LIQUIDATED DAMAGES

The successful bidder awarded a contract pursuant to this solicitation shall be liable for and pay the State, as liquidated damages and not as a penalty, the following amount for each calendar day of delay beyond the date for substantial completion, as determined in the sole discretion of the State: \$ 800.00

This bid proposal is irrevocable for 60 days from the bid proposal submission deadline.

If the Bidder is determined to be the successful bidder pursuant to this solicitation, the Bidder will promptly: (i) comply with each of the requirements of the Tentative Letter of Award; and (ii) commence and diligently pursue the work upon issuance and receipt of the purchase order from the State and authorization from the user agency.

The person signing below certifies that he or she has been duly authorized to execute and submit this bid proposal on behalf of the Bidder.
