AGREEMENT

This agreement, hereinafter “Agreement”, including attached ADDENDA, is hereby entered into this **21st** day of **July 2017**, by and between the State of Rhode Island acting by and through the **Department of Health** (hereinafter referred to as “RIDOH”), and **Agency Name**, (hereinafter referred to as “the Contractor”).

WHEREAS, RIDOH desires to engage the Contractor to offer services and activities further described, but not limited to the work described in this Agreement, including any Exhibit(s) or Addenda, that are attached hereto and are hereby incorporated by reference into this Agreement.

WHEREAS the Contractor is willing and qualified to provide services, the parties hereto do mutually agree as follows:

PAR. 1. GOVERNING LAW AND GENERAL TERMS AND CONDITIONS

The State’s Purchasing Law (Chapter 37-2 of the Rhode Island General Laws) and Rhode Island Department of Administration, Division of Purchases, Purchasing Rules, Regulations, and General Conditions of Purchasing apply as the governing terms and conditions of this Agreement, which can be obtained at <http://www.purchasing.ri.gov/rulesandregulations/rulesAndRegulations.aspx>. In addition, the provisions of Federal Laws, Regulations and Procedures governing the implementation of federal funds apply to this Agreement. See also **PAR. 35. - GOVERNING LAW** for further governing law issues. All ADDENDA referenced herein and attached hereto are made a part of and are inclusive in this Agreement.

PAR. 2. PERFORMANCE

The Contractor shall perform all obligations, duties and the required scope of work for the period of time listed in this Agreement, Exhibit(s) and/or Addenda that are attached hereto and are incorporated by reference herein, in a satisfactory manner to be determined at the sole and absolute discretion of RIDOH, and in accordance with requirements of this Agreement. The Contractor shall perform in accordance with applicable State statutory and policy requirements as well as Federal statutory and policy requirements (as defined in 2 CFR § 200.300). More specifically, the **ADDENDUM I - SCOPE OF WORK** shall include performance measurement(s) 2 CFR § 200.301, monitoring and reporting program performance 2 CFR § 200.328, and performance must be in accordance with requirements for pass-through entities 2 CFR § 200.331. RIDOH shall have the right at any time, to review the work being performed as well as the place where such work is performed; and to that end, RIDOH shall be given reasonable access to all activities related to this Agreement.

In accordance with 2 CFR § 200.331 (d) RIDOH will:

Monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with Federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved. Pass-through entity monitoring of the subrecipient must include:

- (1) Reviewing financial and performance reports required by the pass-through entity.
- (2) Following-up and ensuring that the subrecipient takes timely and appropriate action on all deficiencies pertaining to the Federal award provided to the subrecipient from the pass-through entity detected through audits, on-site reviews, and other means.
- (3) Issuing a management decision for audit findings pertaining to the Federal award provided to the subrecipient from the pass-through entity as required by 2 CFR § 200.521 Management decision.

RIDOH may request at any time additional monitoring, reporting, site visits, and audits in accordance with 2 CFR § 200.501 or if applicable “Yellow Book” audits (see Paragraph 24). All reports pertaining to 2 CFR § 200.331, shall be maintained by the Contractor. The Contractor must retain any documents pertaining to changes requested from RIDOH or the Federal Government in accordance with 2 CFR § 200.333.

PAR. 3. TIME OF PERFORMANCE

The Contractor shall commence performance of this Agreement on the **1st** day of **April 2017**, and shall complete performance no later than the **30th** day of **June 2018** (hereinafter the "Initial Term"), unless terminated prior to that day by other provisions of this Agreement. *If this contract was awarded as a result of an RFP or bid process, then, by mutual agreement, this contract may be extended as stated in the RFP or bid process (hereinafter "Renewal Term(s)")* beyond the Initial Term upon one hundred twenty (120) days prior written notice of the expiration of the Initial Term or any Renewal Term to the Contractor.

In the event RIDOH or the Contractor gives notice of its intent not to renew this Agreement, RIDOH shall have the right to extend all or any services to be performed under this Agreement for an additional period of one hundred and eighty (180) days, or such longer period as mutually agreed by the parties in writing.

PAR. 4. PROJECT OFFICER – RIDOH

RIDOH shall appoint a Contract Officer to manage this Agreement. The Contractor agrees to maintain close and continuing communication with the Contract Officer throughout the performance of work and services undertaken under the terms of this Agreement. The Contract Officer is responsible for authorizing, or seeking authorization of all payments made by RIDOH to the Contractor under this Agreement.

PAR. 5. PROJECT OFFICER – CONTRACTOR

The Contractor shall appoint a Project Officer to be responsible for coordinating and reporting work performed by the Contractor agency under this Agreement. The Project Officer shall notify RIDOH in writing immediately, and seek approval from RIDOH, should a change to this Agreement be necessary in the opinion of the Project Officer. Under no circumstances will a change be undertaken without the prior written approval of RIDOH.

PAR. 6. BUDGET

Total payment for services to be provided under this Agreement shall not exceed the total budget as detailed in **ADDENDUM II**. Expenditures exceeding budget line-item categories by ten percent (10%) shall not be authorized unless prior written approval is first obtained pursuant to **PAR. 10. - MODIFICATION OF AGREEMENT**, subject to the maximum amount of this Agreement as stated above.

PAR. 7. METHOD OF PAYMENT AND REPORTS

RIDOH will make payments to the Contractor in accordance with provisions of **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE** attached hereto and incorporated by reference herein. RIDOH acknowledges and agrees that any increase in expenses due to delays by RIDOH which extends the time of performance shall be subject to reimbursement of the costs associated with such delays. The Contractor will complete and forward narrative, fiscal, and all other reports per **ADDENDUM III - PAYMENTS AND REPORTS SCHEDULE**.

PAR. 8. TERMINATION AND/OR DEFAULT OF AGREEMENT

This Agreement shall be subject to termination under any of the following conditions:

- a) Mutual Agreement
The contracting parties mutually agree in writing to termination.
- b) Default by Contractor
RIDOH may, by not less than thirty (30) days prior written notice to the Contractor, terminate the Contractor's right to proceed as to the Agreement if the Contractor:
 - 1. Materially fails to perform the services within the time specified or any extension thereof; or
 - 2. So fails to make progress as to materially endanger performance of the Agreement in accordance with its terms; or
 - 3. Materially breaches any provision of this Agreement.Termination, at the option of RIDOH shall be effective not less than thirty (30) days after receipt of such notice, unless the Contractor shall have corrected such failure(s) thirty (30) days after the receipt by the Contractor of such written notice; any failure which, in the exercise of due diligence, cannot be cured within such thirty (30) day period shall not be deemed a default so long as the Contractor shall within such period commence and thereafter continue diligently to cure such failure.
- c) Termination in the Interest of RIDOH
RIDOH may terminate this agreement at any time by giving written notice to the Contractor of such termination and specifying the effective date thereof, not less than thirty (30) days prior to the effective date of such termination. In such event, all finished or unfinished documents and other materials shall, at the option of RIDOH, become its property. If the agreement is terminated by RIDOH as provided herein, the Contractor will be paid an amount which bears the same rate to the total compensation as the services actually performed bear to the total services of the Contractor covered by this Agreement, less payment of compensation previously made.
- d) Availability of Funds
It is understood and agreed by the parties hereto that all obligations of RIDOH, including the continuance of payments hereunder, are contingent upon the availability and continued appropriation of State and Federal funds, and in no event shall RIDOH be liable for any payments hereunder in excess of such available and appropriated funds. In the event that the amount of any available or appropriated funds provided by the State or Federal sources for the purchase of services hereunder shall be reduced, terminated or shall not be continued at an aggregate level sufficient to allow for the purchase of the specified amount of services to be purchased hereunder for any reason whatsoever, RIDOH shall notify the Contractor of such reduction of funds available and RIDOH shall be entitled to reduce its commitment hereunder as it deems necessary, but shall be obligated for

payments due to the Contractor up to the time of such notice. None of the provisions of this paragraph shall entitle RIDOH to compensation for anticipated profits for unperformed work.

PAR. 9. RESPONSIBILITIES UPON TERMINATION AND/OR DEFAULT OF AGREEMENT

Upon delivery to the Contractor of a notice of termination, specifying the nature of the termination, the extent to which performance of work under this contract is terminated, and the date upon which such termination becomes effective, the Contractor shall:

1. Stop work under this contract on the date and to the extent specified in the notice of termination.
2. Take such action as may be necessary, or as RIDOH's project manager may reasonably direct, for the protection and preservation of the property related to this contract which is in the possession of the Contractor and in which RIDOH has or may acquire an interest.
3. Terminate all orders to the extent that they relate to the performance of work terminated by the notice of termination.
4. Subject to the provisions of this paragraph, assign to RIDOH in the manner and to the extent directed by RIDOH's project officer all of the rights, title, and interest of the Contractor under the orders so terminated, in which case RIDOH shall have the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders, however, notwithstanding this provision, the Contractor will not be obligated to assign any such rights, title or interest in the absence of payment therefore by RIDOH.
5. With the approval or ratification of RIDOH's project manager, initiate settlement of all outstanding liabilities and all claims, arising out of such termination of orders, the cost of which would be reimbursable in whole or in part, in accordance with the provisions of this contract. Prior to a final settlement of said outstanding liabilities and claims arising out of such termination, final written approval of RIDOH's project manager must be obtained. Final approval by RIDOH shall not be unreasonably withheld.
6. Subject to the provisions of this paragraph, transfer title, or if the Contractor does not have title, then transfer their rights to RIDOH (to the extent that title has not already been transferred) and deliver in the manner, at reasonable times, and to the extent reasonably directed by RIDOH's project manager all files, processing systems, data manuals, or other documentation, in any form, that relate to all the work completed or in progress prior to the notice of termination.
7. Complete the performance of such part of the work as shall not have been terminated by the notice of termination. The Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the amount of any item of reimbursable price under this clause.
8. Unless terminated by RIDOH for default of the Contractor, the Contractor shall be entitled to reasonable account shut down expenses associated with such termination including the penalties associated with early termination of lease, software, hardware, and any other unamortized or incremental expenses accrued but not charged, excluding anticipated profits which shall not be reimbursed. The Contractor shall submit all identified shut down expenses associated with such termination incurred before and prior to the termination date. Any damages to RIDOH shall offset any shutdown expenses to RIDOH.
9. The Contractor acknowledges and agrees the services and/or deliverables provided under this Agreement are very important to RIDOH and that upon expiration or termination of the Agreement, must be continued without interruption whether by the State, RIDOH, governmental agency or another private entity ("successor entity"). Prior to the end of the Termination and up to sixty (60) days thereafter, the Contractor agrees to make an orderly transition of contract and/or deliverables hereunder and to perform any and all tasks in good faith that are necessary to preserve the integrity of the work performed by the Contractor on behalf of RIDOH. Upon termination or expiration of the Agreement, the Contractor, shall, if requested by RIDOH at least thirty (30) days prior to such termination or expiration, provide reasonable training for the successor entity and/or continued performance of services. For providing such training or continued performance after the Term of the Agreement, RIDOH shall pay the Contractor at mutually agreed rates for personnel used in providing such training and/or services unless services delivered are already defined herein and rates established then such rates shall apply for such period. Should any missing data, materials, documents, etc., be discovered after expiration or termination, a grace period of one hundred and twenty (120) days shall be in effect during which the data, materials, documents, etc., is to be provided at a predetermined cost or at no additional cost if the Contractor caused the loss. Lost data shall be provided to RIDOH in form acceptable to RIDOH.

If a stop work order issued under this clause is canceled or the period of the stop work order or any extension thereof expires, the Contractor shall resume work. The State shall make an equitable adjustment in the delivery schedule, the Agreement price, or both, and the agreement shall be modified, in writing, accordingly, if:

- a) The stop work order results in an increase in the time required for, or in the Contractor's cost properly allocable to the performance of any part of this agreement; and
- b) The Contractor asserts its right to an equitable adjustment within ninety (90) days after the end of the period of work stoppage; provided, that if the state decides the facts justify the action, the state may receive and act upon a proposal submitted at any time before final payment under this Agreement.

The State shall not be liable to the Contractor for loss of profits because of a stop work order issued under this clause, however, unless termination is for a default by the Contractor, the Contractor shall have the right to recover costs associated with maintaining the personnel, leases and equipment during the period of time the stop work order was in effect that cannot otherwise be reasonably utilized by the Contractor during the stop work period.

If the agreement is terminated for default, following a reasonable notice and cure period not to exceed thirty (30) days unless agreed to by both parties, RIDOH may withhold payment of any amount in excess of fair compensation for the work actually completed by the Contractor prior to termination of this Agreement and will be entitled to pursue all of its other available legal remedies against the Contractor. Notwithstanding the above, the Contractor shall not be relieved of liability to RIDOH for damages sustained by virtue of any breach of this Agreement by the Contractor.

The Contractor's liability to RIDOH for any damages arising out of or related to this Agreement, regardless of the form of action that imposes liability, whether in contract, equity, negligence, intended conduct, tort or otherwise, will be limited to and will not exceed, in the aggregate for all claims, actions and causes of action of every kind and nature, the total fees paid by RIDOH to the Contractor under this Agreement. The

exception to this limitation of liability is with regard to any direct damages incurred by RIDOH due to the intentional tortious actions of the Contractor in the performance or nonperformance of its obligations under this Agreement. Also, there should be no limitation of the Contractor's liability for disclosure of confidential information or intellectual property infringement. Neither party shall be liable for any amounts for loss of income, profit or savings or incidental, consequential, indirect, exemplary, punitive, or special damages of any party, including third parties arising out of or related to this Agreement; provided, however, that the foregoing shall not be deemed to limit in any way the provisions of **ADDENDUM XIII - LIQUIDATED DAMAGES** of this Agreement.

The imposition of liquidated damages shall not limit RIDOH's rights to pursue any other non-monetary remedies available to it.

RIDOH may, by written notice of default to the Contractor, provide that the Contractor may cure a failure or breach of this contract within a period of thirty (30) days (or such longer period as RIDOH's agreement administrator or project manager may authorize in writing), said period to commence upon receipt of the notice of default specifying such failure or breach. RIDOH's exercise of this provision allowing the Contractor time to cure a failure or breach of this Agreement does not constitute a waiver of RIDOH's right to terminate this Agreement, without providing a cure period, for any other failure or breach of this Agreement.

In the event the Contractor has failed to perform any substantial obligation under this Agreement, or has otherwise committed a breach of this Agreement, RIDOH may withhold all monies due and payable to the Contractor directly related to the breach, without penalty, until such failure is cured or otherwise adjudicated.

Assurances before breach

a) If documentation or any other deliverables due under this contract are not in accordance with the contract requirements as reasonably determined by the project manager, upon RIDOH's request, the Contractor, to the extent commercially reasonable, will deliver additional the Contractor resources to the project in order to complete the deliverable as required by the agreement as reasonably determined by RIDOH and to demonstrate that other project schedules will not be affected. Upon written notice by RIDOH's project manager of RIDOH's concerns regarding the quality or timeliness of an upcoming deliverable, the Contractor shall, within five (5) business days of receipt of said notice, submit a corrective action plan documenting the Contractor's approach to completing the deliverable to the satisfaction of RIDOH's project officer without affecting other project schedules. RIDOH's project manager, within five (5) business days of receipt of the corrective action plan, shall approve the plan, reject the plan, or return the plan to the Contractor with specific instructions as to how the plan can be modified to merit approval and a specific time period in which the revised plan must be resubmitted.

Nothing in the language contained in "limitation of liability" article, "Contractor's liability for injury to person's or damage to property" article and "indemnification" article shall be construed to waive or limit the state or federal sovereign immunity or any other immunity from suit provided by law including, but not limited to Rhode Island General Laws, Title 9 Chapter 31, "Governmental Tort Liability."

RIDOH's options at termination

In the event RIDOH terminates this contract pursuant to this paragraph, RIDOH may at its option:

- a) Retain all or a portion of such hardware, equipment, software, and documentation as has been provided, obtaining clear title or rights to the same, and procure upon such terms and in such manner as RIDOH's project manager may deem appropriate, hardware, equipment, software, documentation, or services as are necessary to complete the project; or
- b) Notwithstanding the above, except as otherwise agreed, nothing herein shall limit the right of RIDOH to pursue any other legal remedies against the Contractor.

In order to take into account any changes in funding levels because of executive or legislative actions or because of any fiscal limitations not presently anticipated, RIDOH may reduce or eliminate the amount of the contract as a whole with the scope of services being reduced accordingly, or subject to agreement by the parties concerning the scope and pricing, reduce or eliminate any line item(s).

Notwithstanding the terms, conditions and/or requirements set out in Paragraphs 7 and 8, the Contractor shall not be relieved of liability to RIDOH for damages sustained by RIDOH by virtue of any breach of the Agreement by the Contractor, and RIDOH may withhold payment to the Contractor for the purpose of setoff until such time as the exact amount of damages due RIDOH from the Contractor is determined.

PAR. 10. MODIFICATION OF AGREEMENT

RIDOH may permit changes in the scope of services, time of performance, or approved budget of the Contractor to be performed hereunder. Such changes, which are mutually agreed upon by RIDOH and the Contractor, must be in writing and shall be made a part of this agreement by numerically consecutive amendment excluding "Special Projects", if applicable, and are incorporated by reference into this Agreement. No changes are effective unless reflected in an approved change order issued by the State's Division of Purchases.

Special Projects are defined as additional services available to RIDOH on a time and materials basis with the amounts not to exceed the amounts referenced on the Contractor's RFP cost proposal or as negotiated by project or activity. The change order will specify the scope of the change and the expected completion date. Any change order shall be subject to the same terms and conditions of this Agreement unless otherwise specified in the change order and agreed upon by the parties. The parties will negotiate in good faith and in a timely manner all aspects of the proposed change order.

PAR. 11. SUBCONTRACTS

It is expressly agreed that the Contractor shall not enter into any subcontract(s) nor delegate any responsibilities to perform the services listed in this Agreement without the advanced, written approval of RIDOH. If in **ADDENDUM XVI – BID PROPOSAL**, the Bid Proposal permits Subcontracting, the Contractor must provide the name and the extent of services provided by the Subcontractor in the **BUDGET** paragraph 6, and more fully explained in **ADDENDUM II** of this Agreement, and as further agreed to by RIDOH and the Contractor in **ADDENDUM IX – SUBCONTRACTOR COMPLIANCE**, which is incorporated by reference herein, and which outlines the expectations and requirements of subcontracted vendors to this Agreement.

If the Contractor subsequently needs to enlist the services of a Subcontractor, the Contractor shall obtain prior written approval of RIDOH. Approval of RIDOH for the Contractor to enter into subcontracts to perform the services or obligations of the Contractor pursuant to this Agreement shall not be unreasonably withheld. Nothing in this Agreement or in a subcontract or sub-agreement between the Contractor and subcontractors shall create any contractual relationship between the subcontractor and RIDOH. Approval by RIDOH of the Contractor's request to subcontract shall not relieve the Contractor of its responsibilities under this contract and the Contractor shall therefore remain responsible and liable to RIDOH for any conduct, negligence, acts and omissions, whether intentional or unintentional, by any subcontractor

The positions named by the Contractor and detailed in **ADDENDUM XVII – CORE STAFF POSITIONS**, which is incorporated by reference herein, will be considered core project staff positions for this project. The Contractor will not alter the core project team or use an independent contractor, company or subcontractor to meet required deliverables without the prior written consent of RIDOH's project officer or other appointed designee(s) for which consent shall not be unreasonably withheld. Failure to comply with the provisions of this Paragraph could result in denial of reimbursement for such non-approved sub-contracts.

PAR. 12. CONTRACTOR'S LIABILITY/INDEMNIFICATION

The Contractor shall indemnify and hold the State of Rhode Island, its departments, agencies, branches and its or their officers, directors, agents or employees (together the "Indemnitees" and their subcontractors) harmless against claims, demands, suits for judgments, losses or reasonable expenses or costs of any nature whatsoever (including actual reasonable attorney's fees) to the extent arising in whole or part from the Contractor's willful misconduct, negligence, or omission in provision of services or breach of this Agreement including, but not limited to, injuries of any kind which the staff of the Contractor or its subcontractor may suffer directly or may cause to be suffered by any staff person or persons in the performance of this Agreement, unless caused by the willful misconduct or gross negligence of the Indemnitees.

The Contractor shall indemnify and hold the State of Rhode Island, its departments, agencies, branches and its or their officers, directors, agents or employees (together the "Indemnitees" and their subcontractors") harmless against claims, demands, suits for judgments, losses or reasonable expenses or costs of any nature whatsoever (including actual reasonable attorney's fees) to the extent arising in whole or part for infringement by the Contractor of any intellectual property right by any product or service provided hereunder.

Nothing in this agreement shall limit the Contractor's liability to indemnify the State for infringements by the Contractor of any intellectual property right.

Nothing in the language contained in this Agreement shall be construed to waive or limit the State or federal sovereign immunity or any other immunity from suit provided by law including, but not limited to Rhode Island General Law, Title 9, Chapter 31 et al., entitled "Governmental Tort Liability."

PAR. 13. NONDISCRIMINATION IN EMPLOYMENT AND SERVICES

By signing this Agreement, the Contractor agrees to comply with the requirements of Title VI of the Civil Rights Act of 1964 (42 USC 2000d et seq.); Section 504 of the Rehabilitation Act of 1973, as amended (29 USC 794); Americans with Disabilities Act of 1990 (42 USC 12101 et seq.); Title IX of the Education Amendments of 1972 (20 USC 1681 et. seq.); The Food Stamp Act, and the Age Discrimination Act of 1975, The United States Department of Health and Human Services Regulations found in 45 CFR, Parts 80 and 84; the United States Department of Education Implementing regulations (34 CFR, Parts 104 and 106; and the United States Department of Agriculture, Food and Nutrition Services (7 CFR 272.6), which prohibit discrimination on the basis of race, color, national origin (limited English proficiency persons), age, sex, disability, religion, political beliefs, in acceptance for or provision of services, employment, or treatment in educational or other programs or activities, or as any of the Acts are amended from time to time.

Pursuant to Title VI and Section 504, as listed above and as referenced in **ADDENDA V AND VI**, which are incorporated herein by reference and made part of this Agreement, the Contractor shall have policies and procedures in effect, including, mandatory written compliance plans, which are designed to assure compliance with Title VI section 504, as referenced above. An electronic copy of the Contractor's written compliance plan, all relevant policies, procedures, workflows, relevant chart of responsible personnel, and/or self-assessments must be available to RIDOH upon request.

The Contractor's written compliance plans and/or self-assessments, referenced above and detailed in **ADDENDA V AND VI** of this Agreement must include but are not limited to the requirements detailed in **ADDENDA V AND VI** of this Agreement.

The Contractor must submit, within thirty-five (35) days of the date of a request by DHHS or RIDOH, full and complete information on Title VI and/or Section 504 compliance and/or self-assessments, as referenced above, by the Contractor and/or any subcontractor or vendor of the Contractor.

The Contractor acknowledges receipt of **ADDENDUM V - NOTICE TO RHODE ISLAND DEPARTMENT OF HEALTH SERVICE PROVIDERS OF THEIR RESPONSIBILITIES UNDER TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 AND ADDENDUM VI - NOTICE TO RHODE ISLAND DEPARTMENT OF HEALTH SERVICE PROVIDERS OF THEIR RESPONSIBILITIES UNDER SECTION 504 OF THE REHABILITATION ACT OF 1973**, which are incorporated herein by reference and made part of this Agreement.

The Contractor further agrees to comply with all other provisions applicable to law, including the Americans with Disabilities Act of 1990; the Governor's Executive Order No. 05-01, Promotion of Equal Opportunity and the Prevention of Sexual Harassment in State Government.

The Contractor also agrees to comply with the requirements of the RI Department of Health for safeguarding of client information as such requirements are made known to the Contractor at the time of this contract. Changes to any of the requirements contained herein shall constitute a change and be handled in accordance with **PAR. 10. - MODIFICATION OF AGREEMENT** above.

Failure to comply with this Paragraph may be the basis for cancellation of this Agreement.

PAR. 14. ASSIGNABILITY

The Contractor shall not assign any interest in this Agreement (whether by assignment or novation) without the prior written consent of the State's Division of Purchases, thereto; provided, however, that claims or money due or to become due to the Contractor from RIDOH under this Agreement may be assigned to a bank, trust company, or other financial institution without such approval. Notice of any such assignment or transfer shall be furnished promptly to RIDOH.

PAR. 15. COPYRIGHTS

Any and all data, technical information, information systems, materials gathered, originated, developed, prepared, modified, used or obtained by the Contractor in performance of the Agreement used to create and/or maintain work performed by the Contractor, including but not limited to, all hardware, software computer programs, data files, application programs, intellectual property, source code, documentation and manuals, regardless of state of completion shall be deemed to be owned and remain owned by the State ("State Property"), and the State has the right to (1) reproduce, publish, disclose or otherwise use and to authorize others to use the State Property for State or federal government purposes, and (2) receive delivery of such State Property upon 30 days notice by the State throughout the term of the contract and including 120 days thereafter. To be clear with respect to State Property, the work shall be considered "work for hire," i.e., the State, not the selected Contractor or any subcontractor, shall have full and complete ownership of all State Property. The selected Contractor and any subcontractor hereby convey, assign and transfer to State any and all of its or their right, title and interest in State Property, if any, including but not limited to trademarks and copyrights. The State hereby grants to the federal government, and the federal government reserves, a royalty-free, nonexclusive and irrevocable license to reproduce, publish, disclose or otherwise use and to authorize others to use for federal government purposes such software, modifications and documentation designed, developed or installed with federal financial participation.

The Contractor agrees that no findings, listing, or information derived from information obtained through performance, as described in the Scope of Work in Addendum I with or without identifiers, may be released or publicly disclosed in any form for any purpose if such findings, listing, or information contain any combination of data elements that might allow an individual to determine a beneficiary's identification without first obtaining written authorization from RIDOH's project officer. Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that RIDOH shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from RIDOH's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Under no circumstance, shall the Contractor publicly disclose or present or submit any materials for review and/or publication that contains an individual's social security number, in part or in whole. The Contractor is hereby notified that all initial data received from RIDOH is considered confidential by RIDOH. For further requirements regarding confidentiality of information please refer to Paragraph 26 of this Agreement.

With respect to claims arising from computer hardware or software manufactured by a third party and sold by the Contractor as a reseller, the Contractor will pass through to RIDOH such indemnity rights as it receives from such third party ("third party obligation") and will cooperate in enforcing them; provided that if the third party manufacturer fails to honor the third party obligation, the Contractor will provide RIDOH with indemnity protection equal to that called for by the third party obligation, but in no event greater than that called for in the first sentence of this Paragraph the provisions of the preceding sentence apply only to third party computer hardware or software sold as a distinct unit and accepted by RIDOH. Unless a third party obligation provides otherwise, the defense and payment obligations set forth in this Paragraph will be conditional upon the following:

1. RIDOH will notify the Contractor of any such claim in writing and tender the defense thereof within a reasonable time;
2. The Contractor will have sole control of the defense of any action on all third party claims, costs (including without limitation reasonable attorneys' fees), and losses for infringement or violation of any U.S. Intellectual Property Rights by any product or service provided hereunder; and all negotiations for its settlement or compromise; provided that (i) when substantial principles of government or public law are involved, when litigation might create precedent affecting future state operations or liability, or when involvement of the state is otherwise mandated by law, the state may participate in such action at its own expense with respect to attorneys' fees and costs (but not liability); (ii) the state will have the right to approve or disapprove any settlement or compromise, which approval will not unreasonably be withheld or delayed; and
3. The State will reasonably cooperate in the defense and in any related settlement negotiations.

Should the deliverables or software, or the operation thereof, become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement or violation of a U.S. Intellectual Property Rights, RIDOH shall permit the Contractor at its option and expense either to procure for RIDOH the right to continue using the deliverables or software, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such deliverables or software by RIDOH shall be prevented by injunction, the Contractor agrees to take back such deliverables or software and make every reasonable effort to assist RIDOH in procuring substitute deliverables or software. If, in the sole opinion of RIDOH, the return of such infringing deliverables or software makes the retention of other deliverables or software acquired from the

Contractor under this Agreement impractical, RIDOH shall then have the option of terminating such agreements, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such deliverables or software and refund any sums RIDOH has paid the Contractor less any reasonable amount for use or damage.

Examples of such data elements include, but are not limited to geographic indicators, age, sex, diagnosis, procedure, date of birth, or admission/discharge date(s). The Contractor agrees further that RIDOH shall be the sole judge as to whether any finding, listing, information, or any combination of data extracted or derived from RIDOH's files identify or would, with reasonable effort, permit one to identify an individual, or to deduce the identifying of an individual to a reasonable degree of certainty. The Contractor agrees that the conditions set forth herein apply to any materials presented or submitted review and/or publication that contain individual identifying elements in the information obtained, as stated above, unless such information is presented in the aggregate. Should the Contractor be liable for the amount of the denied funding, then such amount shall be payable upon demand of RIDOH.

The Contractor agrees that no expenditures claimed for reimbursement under this Agreement will be claimed for reimbursement under any other agreement, grant, or contract that the Contractor may hold which provides funding from state or federal sources. The Contractor further agrees to be liable for audit exceptions that may arise from examination of expenditures: (a) claimed by the Contractor for reimbursement under this Agreement, and/or (b) submitted by the Contractor in meeting any cost participation requirements.

Cultural and Linguistically Appropriate Services (CLAS) in Health in Health Care

Health Equity

When all people have "the opportunity to 'attain their full health potential' and no one is 'disadvantaged from achieving this potential because of their social position or other socially determined circumstance'"

Cultural Competence

Culture is the blended patterns of human behavior that include "language, thoughts, communications, actions, customs, beliefs, values, and institutions of racial, ethnic, religious, or social groups." Cultural competence is "a set of congruent behaviors, attitudes, and policies that come together in a system, agency, or among professionals that enables effective work in cross-cultural situations." "Competence" in the term cultural competence implies that an individual or organization has the capacity to function effectively "within the context of the cultural beliefs, behaviors, and needs presented by consumers and their communities."

Limited English Proficiency

Under the authority of Title VI of the Civil Rights Act of 1964, Presidential Executive Order No. 13166 requires that recipients of federal financial assistance ensure meaningful access by persons with limited English proficiency (LEP) to their programs and activities. A 2002 report from the U.S. Department of Justice, *Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons*, provides guidance on uniform policies for all federal agencies to implement Executive Order No. 13166. Further, the [National Standards for Culturally and Linguistically Appropriate Services in Health and Health Care \(CLAS\): A Blueprint for Advancing and Sustaining CLAS Policy and Practice](#) issued by the United States Department of Health and Human Services, Office of Minority Health in 2013 are intended to advance health equity, improve quality and help eliminate health care disparities by providing a blueprint for individuals and health and health care organizations to implement culturally and linguistically appropriate services. The national CLAS standards provide guidance on cultural and linguistic competency with the ultimate goal of reducing racial and ethnic disparities.

Effective immediately, all vendors who contract with RIDOH must perform the following tasks and provide documentation of such tasks upon request of a RIDOH employee:

1. The supports and services provided by vendor shall demonstrate a commitment to linguistic and cultural competence that ensures access and meaningful participation for all people in the service area or target population. Such commitment includes acceptance and respect for cultural values, beliefs and practices of the community, as well as the ability to apply an understanding of the relationships of language and culture to the delivery of supports and services. Vendor shall have an education, training and staff development plan for assuring culturally and linguistically appropriate service delivery.
2. Vendor shall have a comprehensive cultural competency plan that addresses the following: 1) the identification and assessment of the cultural needs of potential and active clients served, 2) sufficient policies and procedures to reflect the agency's value and practice expectations, 3) a method of service assessment and monitoring, and 4) ongoing training to assure that staff are aware of and able to effectively implement policies.
3. Vendor shall have a plan to recruit, retain and promote a diverse staff and leadership team, including Board members, representative of the demographic characteristics of the populations served.
4. Vendor shall assure equal access for people with diverse cultural backgrounds and/or limited English proficiency, as outlined by the Department of Justice, *Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons*. Vendor shall provide language assistance services (i.e. interpretation and translation) and interpreters for the deaf and hard of hearing at no cost to the client.

National Standards are intended to advance health equity, improve quality, and to help eliminate health care disparities by establishing a blueprint for health and health care organizations to:

A. The Principle Standard:

1. Provide effective, equitable, understandable, and respectful quality care and services that are responsive to diverse cultural health beliefs and practices, preferred languages, health literacy, and other communication needs.

B. Governance, Leadership, and Workforce:

2. Advance and sustain organizational governance and leadership that promoted CLAS and Health equity through policy, practice, and allocated resources
3. Recruit, promote, and support a culturally and linguistically diverse governance, leadership, and workforce that are responsive to the population in the service area.
4. Educated and trains governance, leadership, and workforce in culturally and linguistically appropriate policies and practices on an ongoing basis

C. Communication and language assistance:

5. Offer Language Assistance to individuals who have limited English proficiency and/or offer communication needs, at no cost to them, to facilitate timely access to all health care services
6. Inform all individuals of the availability of language assistance services clearly and in their preferred language, verbally and in writing.
7. Ensure the competence of individuals providing language assistance, recognizing that the use of untrained individuals and/or minor as interpreters should be avoided.
8. Provide easy-to-understand print and multimedia materials and signage in the languages commonly used by populations in the service area.

D. Engagement, Continuous Improvement, and Accountability:

9. Establish cultural and linguistically appropriate goals, policies and management accountability, and infuse them throughout the organization's planning and operations.
10. Conduct ongoing assessments of the organization's CLAS-related activities and integrate CLAS-related measures into assessment measurement and continuous quality improvement activities.
11. Collect and maintain accurate and reliable demographic data to monitor and evaluate the impact of CLAS on health equity and outcomes and to inform service delivery.
12. Conduct regular assessments of community health assets and needs and use the results to plan and implement services that respond to the cultural and linguistic diversity of populations in the service area.
13. Partner with the community to design, implement and evaluate policies, practices and services to ensure cultural and linguistic appropriateness.
14. Create conflict- and grievance-resolution processes that are culturally and linguistically appropriate to identify, prevent and resolve conflicts or complaints.
15. Communicate the organization's progress in implementing and sustaining CLAS to all stakeholders, constituents and the general public.

ADDENDUM VII

DRUG-FREE WORKPLACE POLICY

Drug use and abuse at the workplace or while on duty are subjects of immediate concern in our society. These problems are extremely complex and ones for which there are no easy solutions. From a safety perspective, the users of drugs may impair the well-being of all employees, the public at large, and result in damage to property. Therefore, it is the policy of the state that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace. Any employee(s) violating this policy will be subject to discipline up to and including termination. An employee may also be discharged or otherwise disciplined for a conviction involving illicit drug use, regardless of whether the employee's conduct was detected within employment hours or whether his/her actions were connected in any way with his or her employment. The specifics of this policy are as follows:

1. Any unauthorized employee who gives or in any way transfers a controlled substance to another person or sells or manufactures a controlled substance while on duty, regardless of whether the employee is on or off the premises of the employer will be subject to discipline up to and including termination.
2. The term "controlled substance" means any drugs listed in 21 USC, Section 812 and other Federal regulations. Generally, all illegal drugs and substances are included, such as marijuana, heroin, morphine, cocaine, codeine or opium additives, LSD, DMT, STP, amphetamines, methamphetamines, and barbiturates.
3. Each employee is required by law to inform the agency within five (5) days after he/she is convicted for violation of any Federal or State criminal drug statute. A conviction means a finding of guilt (including a plea of nolo contendere) or the imposition of a sentence by a judge or jury in any Federal or State Court.
4. The employer (the hiring authority) will be responsible for reporting conviction(s) to the appropriate Federal granting source within ten (10) days after receiving notice from the employee or otherwise receives actual notice of such conviction(s). All conviction(s) must be reported in writing to the Office of Personnel Administration (OPA) within the same time frame.
5. If an employee is convicted of violating any criminal drug statute while on duty, he/ she will be subject to discipline up to and including termination. Conviction(s) while off duty may result in discipline or discharge.
6. The state encourages any employee with a drug abuse problem to seek assistance from the Rhode Island Employee Assistance Program (RIEAP). Your Personnel Officer has more information on RIEAP.
7. The law requires all employees to abide by this policy.

A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the non-procurement list (of excluded parties).
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, RIDOH may terminate this transaction for cause of default.

ADDENDUM XII

**CERTIFICATION REGARDING DEBARMENT, SUSPENSION,
AND OTHER RESPONSIBILITY MATTERS – PRIMARY COVERED TRANSACTIONS**

The contractor, as the primary participant, certifies to the best of the contractor’s knowledge and belief, that the contractor and its principals:

2. Have not within a three (3) year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
3. Are not presently indicated or otherwise criminally or civilly charged by a governmental entity (federal, State or local) with commission of any of the offenses enumerated in paragraph 2 of this certification; and
4. Have not within a three (3) year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

Where the prospective primary participant is unable to certify to any of the statement in this certification, such prospective participant shall attach an explanation to this proposal.

ADDENDUM XIII

LIQUIDATED DAMAGES

The prospective primary participant contractor agrees that time is of the essence in the performance of certain designated portions of this contract. RIDOH and the contractor agree that in the event of a failure to meet the milestones and project deliverable dates or any standard of performance within the time set forth in RIDOH's bid proposal and the contractor's proposal response (Addendum XVI), damage shall be sustained by RIDOH and that it may be impractical and extremely difficult to ascertain and determine the actual damages which RIDOH will sustain by reason of such failure. It is therefore agreed that RIDOH, at its sole option, may require the contractor to pay liquidated damages for such failures with the following provisions:

1. Where the failure is the sole and exclusive fault of RIDOH, no liquidated damages shall be imposed. To the extent that each party is responsible for the failure, liquidated damages shall be reduced by the apportioned share of such responsibility.
2. For any failure by the contractor to meet any performance standard, milestone or project deliverable, RIDOH may require the contractor to pay liquidated damages in the amount(s) and as set forth in the state's general conditions of purchase as described particularly in the LOI, RFP, RFQ, or scope of work, however, any liquidated damages assessed by RIDOH shall not exceed **10%** of the total amount of any such month's invoice in which the liquidated damages are assessed and shall not in the aggregate, over the life of the agreement, exceed the total contract value.

Written notification of failure to meet a performance requirement shall be given by RIDOH's project officer to the contractor's project officer. The contractor shall have a reasonable period designated by RIDOH from the date of receipt of written notification. If the failure is not materially resolved within this period, liquidated damages may be imposed retroactively to the date of expected delivery.

In the event that liquidated damages have been imposed and retained by RIDOH, any such damages shall be refunded, provided that the entire system takeover has been accomplished and approved by RIDOH according to the original schedule detailed in the contractor's proposal response included in this contract (Addendum XVI) as modified by mutually agreed upon change orders.

To the extent liquidated damages have been assessed, such damages shall be the sole monetary remedy available to RIDOH for such failure. This does not preclude the state from taking other legal action.

ADDENDUM XIV

EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this agreement, the contractor agrees as follows:

1. The Contractor shall not discriminate against any employee or applicant for employment relating to this agreement because of race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability, unless related to a bona fide occupational qualification. The Contractor shall take affirmative action to ensure that applicants are employed and employees are treated equally during employment, without regard to their race, color, religion, sex, age, national origin, or physical or mental disability.

Such action shall include but not be limited to the following: employment, upgrading, demotions, or transfers; recruitment or recruitment advertising; layoffs or terminations; rates of pay or other forms of compensation; and selection for training including apprenticeship. The Contractor agrees to post in conspicuous places available to employees and applicants for employment notices setting forth the provisions of this nondiscrimination clause.

2. The Contractor shall, in all solicitations or advertising for employees placed by or on behalf of the contractor relating to this agreement, state that all qualified applicants shall receive consideration for employment without regard to race, color, religious creed, sex, national origin, ancestry, age, physical or mental disability.
3. The Contractor shall inform the contracting RIDOH's equal employment opportunity coordinator of any discrimination complaints brought to an external regulatory body (RI Ethics Commission, RI Department of Administration, US DHHS Office of Civil Rights) against their agency by any individual as well as any lawsuit regarding alleged discriminatory practice.
4. The Contractor shall comply with all aspects of the Americans with Disabilities Act (ADA) in employment and in the provision of service to include accessibility and reasonable accommodations for employees and clients.
5. Contractors and subcontractors with agreements in excess of \$50,000 shall also pursue in good faith affirmative action programs.
6. The Contractor shall cause the foregoing provisions to be inserted in any subcontract for any work covered by this agreement so that such provisions shall be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

ADDENDUM XV

BYRD ANTI-LOBBYING AMENDMENT

No Federal or State appropriated funds shall be expended by the contractor for influencing or attempting to influence an officer or employee of any agency, a member of congress or State Legislature, an officer or employee of congress or state legislature, or an employee of a member of congress or state legislature in connection with any of the following covered actions: the awarding of any agreement; the making of any grant; the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any agreement, grant, or cooperative agreement. Signing this agreement fulfills the requirement that contractors receiving over \$100,000 in Federal or State funds file with RIDOH on this provision.

If any Non-Federal or State Funds have been or will be paid to any person in connection with any of the covered actions in this provision, the Contractor shall complete and submit a "Disclosure of Lobbying Activities" form.

The Contractor must certify compliance with all terms of the Byrd Anti-Lobbying Amendment (31 U.S.C 1352) as published in the Federal Register May 27, 2003, Volume 68, Number 101.

The Contractor hereby certifies that it will comply with Byrd Anti-Lobbying Amendment provisions as defined in 45 CFR Part 93 and as amended from time to time.
