Contractor may offer fixed price "analysis and/or treatment/disposal" if such pricing is available to customers. If fixed price is offered state, indicate whether price is per test, per lb., per ton, etc.

It is not required to offer fixed prices for analysis and/or treatment/disposal; contractor may fill in "TBN" (to be negotiated). At the time of a requirement the contractor must then negotiate that specific requirement with the SOCS or designee.

Either method, fixed price for MPA or "TBN" is acceptable for offers under this solicitation.
