EOS CCA Cost Proposal

EOS CCA has proposed to impose the same collection fees as it did under its most recent contract with the State of Rhode Island Department of Administration. EOS CCA's fees are the only compensation we will receive and covers all costs associated with recoveries such as sending collection letters, skip tracing, credit bureau reporting and providing professional staff.

EOS CCA understands that no fee shall be due:

EOS CCA has read and fully understands the State's methodology of assessing collection fees to debtor accounts and understands the collection fees assessed will be our only compensation for recoveries.

This Cost Proposal contains all information relative to costs. The fees stated herein are wholly contingent upon collection.

The rates offered in this proposal represent the total charge for all services required by the RFP, including any litigation or attorney fees. Prices and terms of the proposal are valid for the length of any resulting contract.
