Addendum # 2

RFQ # 7449175

Title: Case Management Agency Certification

Submission Deadline: 19 December 2011 @ 11:00 AM (Eastern Time)

1. The current DEA case management contracts were awarded based on geographic region coverage. Is it anticipated the next RFP will follow this geographic regional model?

No final decision has been made with regard to the *specific design* of the geographic regions assigned in a future case management RFP.

2. What populations are envisioned for participation in the case management program for which entities would be seeking qualification? Do the individuals eligible for case management services include protective service clients?

The populations receiving DEA case management services include any RI resident aged 60 years and older and/or any participant in a DEA-administered program, including but not limited to Elder Protective Services.

A handwritten signature in black ink, appearing to read 'Jerome D. Moynihan', is located below the text.
