CR # 19

Title: Private Investigator Services:

Submission Deadline: Continuous Recruitment

In reference to Bid # Continuous Recruitment: CR - 19, Private Investigator Services:

The specifications state that the bidder must be able to:

5 The Private Investigator agrees to be willing to perform investigative services on persons living or located in any and all geographical areas of the State of Rhode Island and other states and localities as needed.

In order for any one investigator to comply with this, he or she would need to hold a license in every state which would be impractical, if not impossible.

My company is licensed to perform private investigative services in New Jersey, New York, and Georgia.

1. Would we be able to participate in the contract to the extent that we would be limited to assignments within the state we are licensed in?

Yes, a company may participate to the extent that it is limited to the states in which it is licensed.

2. Is subcontracting permitted?

No, subcontracting is not permitted.
