STATE PURCHASING AGENT/DESIGNEE

## **TERMS AND CONDITIONS OF PRICING AGREEMENT**

**SCOPE AND LIMITATIONS** - This Agreement covers requirements as described herein, ordered by State agencies during the Agreement Period. No additional or alternative requirements are covered, unless added to the Agreement by formal amendment by the State Purchasing Agent or his designee.

Under State Purchasing Law, 37-2-54, "no purchase or contract shall be binding on the state or any agency thereof unless approved by the department [of administration] or made under general regulations which the chief purchasing officer may prescribe." Under State Purchasing Regulation 8.2.1.1.2, "any alleged oral agreement or arrangements made by a bidder or contractor with any agency or an employee of the Office of Purchases may be disregarded and shall not be binding on the state."

**PRODUCT ACCEPTANCE** - All merchandise offered or otherwise provided shall be new, of prime manufacture, and of first quality unless otherwise specified by the State. The State reserves the right to reject all nonconforming goods, and to cause their return for credit or replacement, at the State's option.

- a) Failure by the state to discover latent defect(s) or concealed damage or non-conformance shall not foreclose the State's right to subsequently reject the goods in question.
- b) Formal or informal acceptance by the State of non-conforming goods shall not constitute a precedent for successive receipts or procurements.

Where the vendor fails to cure the defect promptly or replace the goods, the State reserves the right to cancel the Release, contract with a different vendor, and to invoice the original vendor for any differential in price over the original contract price.

### **ORDER AUTHORIZATION AND RELEASE AGAINST PRICING AGREEMENT**

**In no event shall the Vendor deliver goods or provide service until such time as a duly authorized release document is certified by the ordering Agency.**

**State Agencies** shall request release as follows: All releases shall reference the Price Agreement number, the Contract Issue number, the item(s) covered, and the unit pricing in the same format as described herein.

A Department Purchase Order (DPO) listing the items ordered shall be created by the agency. The agency may mail or fax a copy of the order to the Vendor. In some cases the agency may request delivery by telephone, but must provide the Vendor with a DPO Order Number reference for billing purposes. Vendors are encouraged to require written orders to assure payments are processed accurately and promptly.

**DELIVERY** – If this is an MPA, Vendor will obtain "ship to" information from each participating agency. This information will be contained in the DPO. APA delivery information will be contained in the Notice of Award.

**PRICING** - All pricing shall be as described herein, and is considered to be fixed and firm for the term of the Agreement, unless specifically noted to the contrary herein. All prices include prepaid freight. Freight, taxes, surcharges, or other additional charges will not be honored unless reflected herein.

**INVOICING** – All invoices shall reference the DPO Order Number(s), Price Agreement number, the Contract Issue number, the item(s) covered, and the unit pricing in the same format as described herein. If this is an MPA, Vendor will obtain "bill to" information from each participating agency. This information will be contained in the DPO. APA billing information will be contained in the Notice of Award.

**PAYMENT** - Invoices for items not received, not priced according to contract or for work not yet performed will not be honored. No payment will be processed to any vendor for whom there is no IRS W-9 on file with the State Controller.

## Pricing Details

## A few quick facts about Nextel

### Nextel National Network

- Guaranteed all-digital cellular
- Home rates and airtime plans follow you wherever you travel on the Nextel National Network
- No roaming charges anywhere in the U.S.
- No landline connection charges; local calls are local
- Local calls are based on current rate plans

### Digital Cellular

- All digital calls are rounded up to the next full minute except for the National Shared Minute Plans which bill by the second after the first full minute.
- Directory information calls are additional

### Nextel Direct Connect<sup>SM</sup>

*(if available on your Service plan)*

- Digital two-way radio function
- Cost is a fraction of traditional cellular rates
- Call duration is rounded to the nearest second

### Group Call

- Call duration is timed and multiplied by the number of participants involved in the call
- Call initiator is billed for the call

### Long Distance

- Long distance is billed at \$0.15 per minute within the continental U.S. in addition to listed digital cellular airtime charges.
- Long distance charges apply to:
  - all outbound calls made to numbers outside a Nextel local calling area
  - all calls received while traveling outside Home Calling Area

### Voice Mail and Digital Cellular Calling Features

- Digital cellular calling features include Call Hold, Call Waiting and Call Forwarding
- All calls made to Nextel voice mail from a Nextel Phone are billed at listed digital cellular rates
- Calls transferred to numbers other than Nextel voice mail via Call Forwarding is charged per minute plus long distance charges per minute

### Text and Numeric Paging

- Numeric paging and voice mail alerts are free of charge
- Text pages up to 140 characters are billed as referenced in each plan
- E-mail and Web Paging are available to send pages to Nextel customers

### Caller ID\*

- Screen your calls and manage costs for one low price per month
- Per-Call Blocking and Per-Line Blocking are available for all Nextel customers

*\*Caller ID is not available in all areas*

### Additional Line\*

- Separate business from personal calls or dedicate a second line to your most important calls
- Second line rings and gives you the option to take the call, even if you are on line 1

### 3-Way Calling\*

- Connect with two other parties at the same time

*\*Not available on all Nextel phone models.*

*Please ask your Sales Representative for details.*

- **Nextel Direct Connect<sup>SM</sup>** allows you to instantly connect with one or all of your co-workers at a fraction of the cost of cellular with the push of one button.
- **Nextel's National Network** is simplicity with no access codes, PINs or extra digits to reach people and **no roaming charges**.
- **The Nextel National Network** offers the latest in digital calling: high security, clarity and no cross talk.
- Nextel delivers digital cellular long distance for a flat rate of **\$0.15 per minute**. Unlike many other companies, we don't charge for landline connections or premiums for peak airtime.
- Nextel phones, manufactured by Motorola offer advanced digital services such as: **Voice Mail, Text and Numeric Paging, Call Waiting and Caller ID\***.

*\*Caller ID not available in all areas.*

## SERVICES BEING PROPOSED UNDER THIS CONTRACT

### Nextel Digital Wireless Technology

Motorola® developed the technology behind Nextel's digital wireless service, known as iDEN®, or integrated Digital Enhanced Network service. It is a completely digital wireless system that combines digital cellular, Nextel Direct Connect®, and text/numeric messaging in a single phone.

### Digital Cellular Service with features

Nextel's digital cellular service offers crisp and clear voice communications, improved privacy and an advanced technology system to protect numbers from being cloned. Additional features include call forwarding, call waiting, call hold, call restrictions, last number redial, 100-member phone list, multiple call timers, call answering and voice messaging.

- ◆ **National Shared Plans:** Include Free Nationwide Long Distance, Free Voice Mail, Free Caller ID, Unlimited Private Call on Direct Connect, Group Call for \$.15 per minute and Pooling Occurs under same pooling account.
- ◆ **Nextel Free Incoming Plans:** All Incoming Calls are Free for Life of Plan. Free Nationwide Long Distance. Free Voicemail. Free Caller ID. Unlimited Private Call. Group Call for \$.15 per minute. Cellular Minutes DO NOT Pool. Cellular rounds up to next minute
- ◆ **National Connect Plans:** Nationwide Long Distance is included. Voice Mail is available for \$.50/mo/unit. Caller ID is available for \$.50/mo/unit. Direct Connect Minutes Pool. Cellular Minutes DO NOT pool. Cellular Calls Round up to next minute.
- ◆ **Local Connect Plans:** Designed for local use area. Nationwide Long Distance is \$.15 per minute. Voice Mail is available for \$.50/mo/unit. Caller ID is available for \$.50/mo/unit. Direct Connect Minutes Pool on like plans. Cellular Minutes DO NOT pool. Cellular Calls Round up to next minute.
- ◆ **Shared Rewards:** Cellular Minutes POOL with Like Plans. Designed for local use area. Nationwide Long Distance is \$.15 per minute. Voice Mail is available for \$.50/mo/unit. Caller ID is available for \$.50/mo/unit. Direct Connect Minutes Pool on like plans. Cellular Calls Round up to next minute.

### Nextel Direct Connect®

Nextel is the only provider in New England who offers this service.

This digital two-way radio feature allows customers to talk instantly with 1, 3, 10 or 100 of their co-workers, contractors, family and friends for a fraction of the cost of regular cellular. You can instantly contact any local Nextel customer within your calling area! That's hundreds of miles today.

- ◆ **Private Call:** Contact another Nextel User without incurring Cellular Phone Costs thru Direct Connect Private Call. Instant Communications, no dialing... just push the button and instant contact.
- ◆ **Group Call:** Set Up Talk Groups of 3 or more Nextel Users. Have instant Group communications at a push of a button for Emergencies and daily operations.

### Text and Numeric Paging

Every Nextel is a full Alpha/numeric Nationwide Pager

It's easy for you to receive text and numeric messages on your Nextel *plus* phone. And it's easy for people to send them to you when they click on "Send a Page" at [www.nextel.com](http://www.nextel.com).

### Two-Way Messaging:

Use your *Nextel* to send and respond to text and email messages.

- If you are unable to disturb a meeting to take a call.
- If you are on a job site where it's too noisy to talk on a phone.
- If you need to respond to a message without speaking on the telephone.

Other features of Two-way Paging:

- The sender can enter pre-programmed responses to answer the page
- Receive Status Confirmation that the page was delivered and received.

**SMS (Short Messaging Service)**

Nextel's messaging service allows users to send messages to work groups or individuals, receive verification of receipt, maintain a log of all messaging activity, and send messages to groups and individuals using non-Nextel paging products. Users can receive and store up to 16 alphanumeric messages on a four-line, 140-character display. An additional display line provides icons that indicate continuous signal and battery strength, new messages, and audio and voice volume. The service includes an instant notification feature that alerts subscribers to new messages. Users can instantly dial phone numbers from text or numeric messages through a one-touch callback feature. Additionally, you may send a SMS to any Nextel customer from Nextel's Web page, Nextel.com.

**Nextel Online® Wireless Web**

The wireless Internet solution for business: Nextel Wireless Web Services provide customers with the tools and applications they need to access time-sensitive content and information instantly to get business done. With phone-based web access, customers can browse news, stocks, and weather, book flights, email documents, buy products and find local entertainment. Customers can also maintain contacts and phone lists through Nextel Address Book. Nextel Mobile Messaging allows customers to send, receive and reply to text messages on Nextel's Internet-ready phones. In addition, Nextel's Internet-ready phones can plug into PC's, Palm's™ or Windows CE handheld computers, acting as a wireless modem to provide customers with dial-up service. Nextel customers now have access to the only wireless phone that is a four-in-one business communication tool. Wireless Internet service can be delivered through the i90c, i85s, i80s, i55sr, i50sx, i2000plus, i1000plus, i700plus, and i550plus phones

Nextel RF Amplifier with 100 Feet of Cable	\$200.00 Per Month Per amp

**UNIVERSAL SERVICE ACCESS CHARGE**

State of RI must pay Universal Service Access Charge and other FCC Mandated Fees unless it can provide documentation exempting it from these specific taxes and charges.

**Wireless Data Services**

**PRICING DISCOUNT:**

Nextel will extend a **10% Discount** off all DATA Plans below for State of RI Agencies.  
 Example: Packetstream Gold @ 10% discount would be \$54.95 - 10% (\$5.49) = \$49.46 Net to NH

**Summary of Wireless and Modem Data Solutions Rate Plans**

**I. Packetstream service for Industry Solutions Applications**

These six transport plans cover the KB usage profile of Government Wireless Data Solutions applications. For example, the usage profile for the @Road AVL/GPS application is such that the \$14.99 Packetstream 175 rate plan is recommended.

**II. Packetstream Gold service for Web Browsing & Internet Email - Handset and iM1100 Modem**

This transport plan is intended for personal or business use as a connection to the Internet for Web Browsing and Internet Email (POP3 and IMAP). Phones that are using this plan get routed through a specialized server that does TCP optimization and streaming compression. Combined, these accelerate web browsing and Internet email to as high as 56Kbps speeds on Nextel's iDEN network. Packetstream Gold may be used with Nextel data-ready handsets and is particularly convenient when used with the iM1100 Wireless Modem.

Example Plan	Monthly Access	Included KB	Overage	Roaming
Packetstream Gold	\$54.99	Unlimited	n/a	n/a

**Rate Plan Details/Business Rules**

Packetstream Gold is effectively an unlimited-use plan since there is no overage charge or bucket size. However if the customer's usage causes network quality of service problems then Nextel may choose to notify the customer that use is excessive and/or terminate the service.

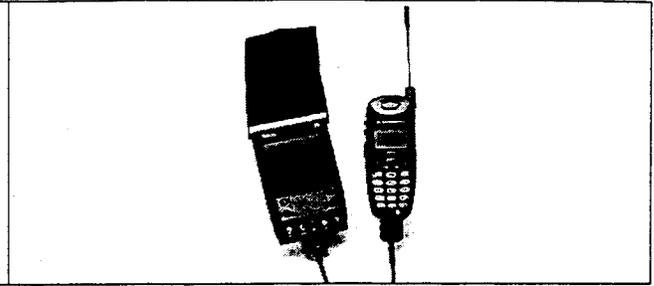

Packetstream Gold is NOT intended for use over Virtual Private Networks (VPNs) today and will not work with most VPN software.

Packetstream Gold requires purchase of a Starter Kit except when used with the iM1100. The iM1100 includes the software on its install CD already.

Packetstream Gold is supported on laptops running Windows 95, 98, 2000 SP1 and SP2, NT SP4+, and CE version 3+. Most web browsers are supported, including Internet Explorer and Netscape.

### III. Nextel Online Dial-Up service

This service is a dial-up connection for wireless data use. Nextel Online Dial-Up service operates at 9.6Kbps, slower than the packet data connections provided by Packetstream and PowerApps plans, however it does have other benefits. Nextel Online Dial-Up service connects directly to the customer's modem bank from a phone line. This is just like dialing in from home and provides a level of security that customers are generally familiar and comfortable with. This makes it useful in certain situations.

#### Dial Up Rate Plan Details

\* This is Nextel Online Dial-Up service for phones that have a voice rate plan also. For this plan all calls are billed like any other interconnect call in that they deduct from a user's cellular bucket and will be charged any incurred long-distance fees. There are no extra minutes with this plan. Additionally, if a subscriber has any incoming or outgoing call restrictions, Nextel Online Dial-Up service will be affected accordingly. Long Distance charges and Overage are charged at the rate for the voice plan as well.

\* Nextel Online Dial-Up service customers must purchase a Connectivity Kit (PC or PDA cable, software & user guide) to utilize the service.

Nextel Local Connect plans are the only Dial-Up plans available for Data Only devices such as the iM1100. The Nextel Online Dial-Up service code (listed with a \*) is not available for data only devices. The Local Connect plans come with their own minutes of use and per minute rates to allow for stand-alone use.

Nextel Online Dial-Up service can be accessed while roaming.

### IV. Service for Data-Only Devices (CDPD Equivalent and better)

#### iM1100 Wireless Modem

Nextel introduces the iM1100 Wireless Modem, a self-powered (via standard battery) Type II PC card that provides wireless data connectivity for Windows-based laptops, anywhere on Nextel's All-Digital National Network. This product supports data transmissions when placed into the PCMCIA card slot of a Windows-based laptop and does not support voice or messaging applications such as Digital Cellular, Direct Connect, or Two-Way Messaging. The iM1100 Wireless Modem supports both NOL Dial-Up (circuit data), Packetstream Gold, and Packetstream (packet data) rate plans to provide mobile workers with wireless access (dependant upon rate plan) to the Web, e-mail, corporate intranets, customer supported virtual private networks (VPN), and corporate applications.

The iM1100 Wireless modem is a data-only version of the latest Nextel phone. It is designed as a thin card that slides into a standard laptop PCMCIA slot. The modem is a Type II PCMCIA card with an external battery and antenna. The external battery is a design feature that keeps the modem from draining down the battery on the laptop. The external antenna maximizes reception. iO1000 OEM Wireless Modem Module

This is a wireless modem module similar to the iM1100. However it is not packaged as a PCMCIA device but is just the raw module. This allows an OEM to build specialized devices using the unique capabilities of the iDEN network. Most Packetstream (Packet Data) and Nextel Online Dial-up (Circuit Data) rate plans are available for these devices but not all. The available plans are listed below

### V. PowerApps service for Network Aware Java applications

These six transport plans cover the KB usage profile of Network Aware Java™ Applications. A Network Aware Java Application interacts with the Nextel Packet Data Network to access an external data source. An example of a Network Aware application is a stock tracking tool. In this example, the application resides on the phone, retrieves stock information (price, volumes traded, charts, etc...) from a remote data source, then shows the information real

time on the phone. This application could draw a graph real time or show a complete portfolio of stocks simultaneously on the handset.

If the application is used on a frequent basis, the PowerApps 950 rate plan might be recommended for \$39.99 per month.

**Rate Plan Attributes**

Plan	Monthly Access	Included KB	Overage	Roaming
PowerApps 175	\$12.99	175	\$0.10	n/a
PowerApps 450	\$17.99	450	\$0.08	n/a
PowerApps 650	\$29.99	650	\$0.05	n/a
PowerApps 950	\$39.99	950	\$0.05	n/a
PowerApps Gold	\$54.99	Unlimited	n/a	n/a
Packetstream Gold	\$54.99	Unlimited	n/a	n/a

**Rate Plan Details/Business Rules**

Both Nextel-provided and customer-supported applications need to be sized correctly and enrolled in applicable KB bucket plan. Sizing of the application will occur based on the application's call model. This will be completed prior to the application's availability.

PowerApps plans are intended only for Java Application usage and are not intended to support laptop or PDA web browsing use

For more information on PowerApps plans, go to [http://www.nextel.com/kjavaapps/powerapps\\_plans.shtml](http://www.nextel.com/kjavaapps/powerapps_plans.shtml)

For more information on Java Applications go to: [http://www.nextel.com/kjavaapps/javaapps\\_index.shtml](http://www.nextel.com/kjavaapps/javaapps_index.shtml)

For a complete Catalog of Java Applications, go to: <http://commerce.motorola.com/nextel/main/>

### CONTRACT NUMBER MPA #320 BETWEEN STATE OF RHODE ISLAND AND NEXTEL COMMUNICATIONS, INC.

#### **1. New Equipment- Handsets**

Nextel is pleased to propose the addition of the following to Contract #MPA 320.

**i55sr** is the new rugged Java TM technology-capable phone. This internet-ready Motorola phone is pre-loaded with several Java applications, meets military standards for shock and vibration resistance, and is Nextel's smallest, fully-featured durable phone. In addition to Nextel's 4-in-1 technology, which includes Digital Wireless Cellular Service, Nextel Direct Connect Two-Way Radio Service, Wireless Internet Service, and Nextel Two-Way Messaging, the **i55sr** also includes:

- Advanced phone book – store up to 250 entries, with up to seven different numbers for a single name
- Datebook – input information appointments into the phone and it will alert you when meetings are about to begin. During the meeting, the phone automatically silences the ringer and sends all calls to voice mail. After the allotted time, the ringer turns back on.
- Menu Customization – set up the main menu to meet your daily needs, with your most-used features appearing first.
- Speakerphone – for hands-free dialing and for impromptu on-site meetings or conference calls.
- VibraCalls – silent notification for the noisiest of work environment.
- Large screens display for easy use, last 20 numbers received/sent list,
- Three-way calling, Caller ID, and a two-button keypad lock to void inadvertent dialing of numbers.
- This 6.5-ounce **i55sr** is available in gray or yellow and has easy-to-grip rubber over-molding.

**i30sx** is Nextel's most inexpensive and simplified phone. It is also Nextel's first phone to offer a joystick for menu navigation and icon placement for text entry. The **i30sx** supports all of Nextel's integrated services including Digital Cellular, Direct Connect, Nextel Online, and Mobile Messaging. Additional features are:

- Easy menu navigation with 4 way joy-stick
- 250-entry phonebook
- Speakerphone capability\*
- Supports interchangeable faceplate accessories
- Quickstore—instantly add phone numbers and Private IDs to your directory
- Keypad lock
- Voice mail alert
- Time/Date

\*Speakerphone feature is available at [nextel.com/idenupdate](http://nextel.com/idenupdate) and not at point of sale. You will need an in line data cable to download your updates from the Web and fees will apply.

## ATTACHMENT A

### CONTRACT NUMBER MPA #320 BETWEEN STATE OF RHODE ISLAND AND NEXTEL COMMUNICATIONS, INC.

**i90c** is the smallest flip-style phone in the U.S., and is the most technologically advanced phone Nextel has ever offered. This multi-service phone supplies the business user with all the tools needed to efficiently conduct business.

- Smallest full-feature dimensions 3.5" x 2.0" x 1.1", weight 4.8 ounces with Slim Lithium Ion Battery (450 mAh Lithium Ion)
- Speakerphone
- Voice Activated Dialing (up to 20 numbers)
- Java-powered applications
- Voice Memos1
- Phonebook (250 entries –store multiple home, office and mobile numbers)
- Date book (Manage business and personal appointments)
- Standard and Musical Ring Tones
- Advanced Display Screen
- Rapid Charging
- 3-way calling (allows conference call with two other people)
- Includes Carry Holster, Rapid Travel Charger, and Standard Lithium Ion Battery.

**i80s** is Nextel's slimmest and most lightweight monolith phone

- Sleek and lightweight (dimensions 5.4" x 2.0" x 1.0", weight 4 ounces with high performance battery)
- Speakerphone
- Voice Activated Dialing (up to 20 numbers)
- Java-powered applications
- Voice Memos1
- Phonebook (250 entries –store multiple home, office and mobile numbers)
- Date book (Manage business and personal appointments)
- 3-way calling (allows conference call with two other people)
- Include standard charger, and standard Lithium Ion Battery

**i85s** is the first in a series of Condor handsets to be launched. **i85s** offers cutting-edge features such as Speakerphone, Voice Activated Dialing, Voice Notes, VibraCall, Datebook, and Java Powered Applications. The i85s specification:

- Dimensions – 5.15" (H) x 1.97 (W) x 1.14 (D)
- Weight – 4.76 oz w/ High Performance Battery (included)
- Housing Finish – Painted Silver and Black
- Screen Display – 111 pixels (H) x 100 pixels (W) with 4-Level Grey Scale and 3 font sizes.

## ATTACHMENT A

### CONTRACT NUMBER MPA #320 BETWEEN STATE OF RHODE ISLAND AND NEXTEL COMMUNICATIONS, INC.

**i50sx** offers interchangeable faceplates and keypads. The i50sx has a standard blue faceplate and silver keypad. It will have most of the features of the i85s at a more reasonable price. Many of the features and hardware included with the i85s may be purchased for the i50sx. The following features will not be included with the i50sx but may be downloaded and installed using iDEN Update following the customer's purchase: Speakerphone, Voice Notes, Styles, and Rapid Travel Charger.

- Dimensions - 5.23" (H) x 2.0 (W) x 1.19 (D)
- Weight - 5.11oz w/ High Performance Battery (included)
- Housing Finish - Black and Clear Housing with High-Gloss Blue Faceplate and Silver Keypad
- Screen Display - 111 pixels (H) x 100 pixels (W) with 4-Level Grey Scale and 3 font sizes.

**P280** and **V60** offer an expanded choice for Nextel Worldwide (NWW) Service and an alternative to the i2000+ dual-mode phone. The **P280** and **V60** are lightweight, offer a sleek design, and provide additional feature functionality.

- Both phones are part of a two-phone solution. Customers purchase a P280 or V60 in addition to an existing Sim-based phone.
- When customers travel to another county, remove the SIM Card from existing SIM-based phone and install it into the P280 or V60.\*
- Keep existing PTN and services – No IMEI swap is required
- P280 and V60 phones are billed specifically for GSM use and do not integrate seamlessly with Nextel services.
- Direct Protect insurance is not available with the P280 and V60.
- Door-to-Door Express is the only service available for the P280 and V60 telephones.
- P280 and V60 are equipment only sales – no activation is required.\*

**r750plus** and **r750plusFM** are next generation of iDEN internet-ready phones for use in rugged and hazardous environments.

The **r750plus** phones include new design changes such as new "smaller" housings with rubber-molded grips. Other improvements are: larger raised buttons, speakerphone, capability for Dial-Up and Wireless Services, better keypad layout, improved battery life, larger LCD, and new ruggedized accessories. The **r750plus** meets MIL-STD 810 C/D/E for resistance to Vibration, Mechanical Shock, Rain and Dust.

**r750plusFM** meets military specification C/D/E intrinsically safe standards for customers operating in Oil Exploration, Petroleum Processing, Chemical Manufacturing, Grain Processing, Recycling, Fire, Police, City, and other potentially hazardous environments. The r750plus and r750plusFM handsets are being sold in kits and not as individual hardware. Each kit includes the handset, a battery, a raven antenna, a standard belt clip, a rapid travel charger, and a user guide.

- Dimensions - 5.1" (H) x 2.35 (W) x 1.73 (D)
- Weight - 11.6 oz w/ Battery (included)
- Housing Finish - Black with Black Rubber Grip
- Screen Display - 96 x 44 pixels (option #1) 6 lines x 16 characters or (option #2) 4 lines x 12 characters.

- Nextel Two-Way Messaging - UNLIMITED text messages for \$5 a month.
- 100 Bonus Cellular Minutes & Two-Way Messaging for \$10 a month
- 100 Bonus Cellular Minutes & Nextel Online Plus for \$15 a month

#### The Nextel Advantage...

- N & W Minutes - between 9 p.m. and 7 a.m., Monday through Friday, and from 9 p.m. Friday through 7 a.m. Mo
- Direct Connect Minutes - round to the second.
- No Roaming - no extra charge anywhere on the Nextel National Network.
- Nationwide Long Distance - one low rate of \$0.15 per minute. Ask about the local calling area.
- Nextel gives subscribers the ability to make included minutes last even longer - all cellular calls on National Shared Minute plans round to the second after the first minute.

**4. Grand-fathered Old Rate Plans**

All old rate plans will be grandfathered. A "Grandfathered" rate plan is a rate plan that is no longer available for sale, but remains in the contractor's billing system in order to honor contracted prices with existing customers without switching to another plan. New units cannot be added on to the Grandfathered plans, unless it is an existing account where these plans exist.
