Master Price Agreement
Utilization Procedure by the State

1. Bidder, by submittal of his/her bid, certifies commitment to maintain bid pricing for a second year in the event the State, solely at its option, elects to extend the contract for a second year.
2. The State reserves the right to cancel any or all bids or to make a single or multiple awards as the result of this solicitation.
3. Before awarding a particular project to an MPA listed vendor, the agency, solely at its option, may solicit written estimates from at least three (3) of the listed vendors and award to the lowest written estimate. All billing by the contractor for work performed shall be in accordance with MPA pricing for the various items of equipment, work, or materials.
4. Contractor shall be required to sign a daily "in/out" log over the life of each individual project.
5. Contractors awarded under this MPA shall be expected to respond quickly to short lead time agency requirements for tank removal (or replacement).

Important Notice to Bidders

1. Some projects awarded under this MPA may require submittal of a Performance/Payment Bond. Bidders are therefore required to submit with their bids a letter of commitment on the letterhead of their insurance company/agency (Surety) confirming bonding capacity up to \$50,000 for any individual project. Bidder's failure to provide their commitment letter with their bid may result in bidder's disqualification.
2. Prior to award, successful bidder shall be required to submit Certificates of Insurance covering statutory requirements for General Liability, Automobile Liability, and Workmen's Compensation Insurance. A Certificate of Insurance shall also be required covering Pollution Control. In all instances, the Certificates of Insurance shall name the State of Rhode Island as an additional insured.
